\$30,000 ITR Track Removal Settlement

Alderman Protests, Says Work To Cost \$168,000; Caucus Precedes Meeting

Preceded by a 45-minute, closed-door caucus session, Granite City's council session Monday night was highlighted by an agreement for a \$30,000 settlement with Illinois Terminal Railroad for removal of abandoned trolley track.

Protests were raised during the public meeting by Alderman Donald Partney, who pointed out the estimated cost for removing all street car tracks was set by the city engineer at \$168,000.

The settlement was recommended by City Atty. John Gitchoff and was a major topic of the caucus. It was learned the aldermen on hand at 8 p.m. were advised of the caucus by Alderman Walter Nunn, who led them to the conference room on the third floor of the city hall.

Speakers Tire Of Waiting

The meeting, held in the third floor court room, was presided over by Alderman Rufus LeMaster in the absence of Mayor Davis, who is hospitalized. Several would-be speakers departed before the caucus session ended.

A hearing on the city's petition for the track removal has been set for Oct. 15, when the Illinois Commerce Commission after having been postponed from April 27, May 24 and Sept. 5.

Gitchoff commented the city's case was "a ticklish one," and added the city had never received a settlement before from the ICC. He strongly recommended acceptance of the proposal.

Partney protested, urging the council to proceed with the ICC hearing and try to get more than \$30,000. Other aldermen called upon Gitchoff to repeat his recommendation, and in a roll call vote, only Partney and Paul Rutledge opposed the recommendation.

"We Could Go To Court"

"We could go to court, but we weren't satisfied with the ICC findings," Partney said. He suggested the city could build a case around the grade levels set in the original 1906 franchise. Voting for acceptance were Aldermen Nunn, LeMaster, (Continued on Page 5, Col. 6.)

County Zoning Hearings To Be Resumed Oct. 19

County zoning hearings will be resumed Oct. 19 with a meeting in Granite City. It was decided Monday afternoon at a meeting of the county zoning committee at Edwardsville.

Thomas Butler of Alton, committee chairman, said the date is the earliest a hearing could be arranged. He said ample notice of time and place will be given.

The local session will begin a new series of public hearings on proposed county zoning in unincorporated areas. Butler said a hearing will be held about every two weeks until they are finished.

Butler said proposed "spot" zoning to protect the Southern Illinois University campus was not discussed at the meeting. He said it is his personal belief that such action would merely slow down the zoning process.

Butler said the most desirable zoning is the most desirable solution. County zoning controls have been expressed their support of organizations in all areas of the county, including the Quad-Cities.

Monday's meeting was devoted primarily to a discussion of problem encountered in zoning meeting held this far. Butler said, in addition to public informational meetings and county-wide public hearings, 18 township hearings have been held.

Need Public Support

Butler said members of the committee expressed hope that individuals as well as civic groups and other organizations which have expressed their support of county zoning will attend future meetings and state their views.

"We feel the appeal from SUI is so strong that it would be a grave injustice to the county to let this go," he said.

Board Of Review Will Meet Here Next Week

The Madison county board of review will set up hearings for the Madison County Board of Review in the Elks Club here Monday in the Elks Club here to hear assessment complaints by property owners from Granite City, Nameoki and Venice townships.

The complainants to be heard are those who have filed objections to assessments recently published by the three townships. Each individual is notified of a time for appearance.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Viola Bunte, 2221 Lee avenue; Lillian Ruge, Rural Route One; Hubert Greene, Lovejoy; Pauline Porter, 117 Weber street; Emily Meljaski, 1231 Grand avenue; Betty Waters, 2033 Thirtieth street; Donna King, Glen Carbon; Velma Scroggins, 1710 Fourth street, Madison; Lela McPherson, 2136 Edison avenue; Juanita Stewart, Route One, Edwardsville; Stephen Baisi, 1618 Maple street.

A basic plan to pull Granite City out of sewage-laden muck—a program designed to put an end to the slimy belching of basement floor drains and corner catchbasins—is about to be voted.

Next Tuesday, the city's \$10,000, 100,000 drainage-pollution abatement program will be submitted to voters.

Motorist Surprised By Sudden Stop

A motorist encountered a strange start and sudden stop Monday night when he attempted to drive his auto off a Granite City Steel Co. parking lot.

Stewart James, 910 Grand avenue, Madison, got no where. A wheel fell off.

Police said thieves who had attempted to steal the wheel apparently had been frightened away before completing the job. They had, however, removed the lug nuts.

A lifetime Venice resident, Mr. Boelling, 64, had been ill for several days but had continued to work. He had been under medical care since Monday. Death was attributed to a heart seizure.

William Boelling Dies; Venice City Employee

William H. Boelling, a Venice city employee for the past nine years, died at 10:40 p.m. Tuesday, two hours after arrival at St. Elizabeth's Hospital at Belleville.

Mr. Boelling, 64, had been ill for several days but had continued to work. He had been under medical care since Monday. Death was attributed to a heart seizure.

Auto Collides With Fork Lift In Venice

No injuries were reported when an auto collided with a fork lift at Market and State streets, Venice, Saturday afternoon. The fork lift was not damaged, but the auto had to be towed from the scene.

Driver of the auto was Philip D. Achornack, 20, of 2410 Sheridan avenue, who was going north on State. The fork lift, owned by Steel Haulers, Inc., of Madison, was going west on Market. It was being operated by a traffic accident last Dec. 10, 1961.

5 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Viola Bunte, 2221 Lee avenue; Lillian Ruge, Rural Route One; Hubert Greene, Lovejoy; Pauline Porter, 117 Weber street; Emily Meljaski, 1231 Grand avenue; Betty Waters, 2033 Thirtieth street; Donna King, Glen Carbon; Velma Scroggins, 1710 Fourth street, Madison; Lela McPherson, 2136 Edison avenue; Juanita Stewart, Route One, Edwardsville; Stephen Baisi, 1618 Maple street.

Economy Is Watchword

Economy was the watchword of the committee.

"After all," the citizen group members pointed out, "we live here, too."

They have been termed selfish. The bankers know finance and the ins and outs of bonds issues and how to get the most for the city. They also served on advisory committees for school building bond issues. Granite Cityans are proud of their schools.

Lawyers, doctors, a minister, the laboring man, the business man, they were named, and they, too, are serving without compensation — because they're

2 'Glue Sniffers' In Hospital; Warning Issued

Two 14-year-old Mitchell boys, both students of Prather Junior high school, are in St. Louis Children's Hospital today as a result of sniffing airplane glue. Tuesday afternoon.

Donald Lynn was found unconscious in a truck in the Paul Seebold Concrete Co. at 22nd street and the railway tracks. He had been sniffing glue and fainted. It was not known how long he had been there.

He was discovered at 4:30 p.m. when an employee of the company went to that section of the yard to get a tire. The boy was rushed to St. Elizabeth Hospital, then transferred to St. Louis.

At 6:45 p.m. police received a call that there were boys at the Emerson school grounds acting like they had been drinking. They told police they had found a bottle of brandy along the railroad tracks and drank it.

It was established, however, that the boys had engaged in a glue-sniffing spree. A few of the boys had played hockey from school, police said.

A second boy, Stephen Underwood, of the Emerson school, is undergoing tests to determine if he has suffered any damage to his vital organs, police reported today.

The glue is used in model building. It is fast drying and has a pleasant odor, not unlike nail polish. It is easy to obtain from hobby shops, drug stores and other outlets.

Mayor Undergoes Surgery; Warfield Returns Home

Mayor Davis is recuperating from major surgery performed yesterday at Jewish Hospital, St. Louis. Supt. of Streets William Warfield returned home yesterday from the same hospital where he underwent surgery last week to correct a nerve condition in his back, suffered in a traffic accident last Dec. 10.

The mayor, who entered the hospital Sept. 17, was on the operating table five hours yesterday for removal of the gall bladder, appendix and an ulcer.

But—as the city grows, more people will be joining in.

Instead of a 40-year pit, these thousands of people moving to Granite City will cut that down. They'll be taking baths all winter. They'll be wearing clothes. They'll pay their taxes. And industries, stores, churches, schools, offices, also will pay. Granite City is on the fence, the bond issue proponents point out.

It can solve its double problem of drainage and pollution abatement, or it can comply with only the state-mandated sewage treatment facility and continue to float on a rainy day.

The Citizens' Committee will stay on the job after the election to "watchdog" the sale of the bonds, award of construction contracts, the actual building of the facilities and their operation.

The alternative will be an order by the state for the levee district to build only the treatment plant.

But—as the city grows, more people will be joining in.

State Engineer Refutes False Election Issues

False assumptions and statements being used to attack the Citizens' Health-Progress Program were refuted here Tuesday by state officials.

Opponents have been stressing that interest costs will result in more being paid than the principal of the bond issue. That would also be true if the Levee Board was the agency issuing the bonds, it was brought out by the Levee Board, which would collect a monthly payment from every local family, also would use interest-bearing revenue bonds.

Foes of the drainage-pollution program have pointed out that the service charge rises as water use increases. This also would be the case no matter whether it was a city or Levee Board program.

"And it will be this way no matter when the work is done," Clarence W. Klassen, Illinois Department of Public Health and State Sanitary Water Board, pointed out in reference to the bond interest and water consumption fees.

Effect of his statement is that while extra water usage could increase the monthly payment under the Citizens' plan to more than \$3.25, it also would raise their payment under the Levee Board plan to more than the estimated \$3.75-\$4.30 minimum.

Baseline 85¢ At Minimum

Confusion over the monthly rate minimum also was discussed. While only 50% of the people pay less than the water bill minimum figure of 1375 cubic feet a quarter, 85% use less than the sewer rate minimum.

Carpenters And Hospital Endorse Drainage Program

Two additional organizations this week endorsed the Citizens' drainage - pollution abatement program.

They are Carpenters' Local 633 and St. Elizabeth Hospital. Announcements of the endorsements were made by Carpenters' Business Agent Eugene P. Ellberg and Sister Mary Thomas, hospital administrator.

Ellberg said about 250 of the union's 425 members live in Granite City. He added that while no union meeting was held this week, the membership had agreed to accept the stand of the Tri-City Trades & Labor Council. The council endorsed the drainage-pollution abatement program last week.

State Could Order Bond Issue By City Or Levee District

The special election next Tuesday will be Granite City's first and last chance to have a voice in who handles local drainage-pollution improvement and how much it costs.

This was the statement made here Tuesday afternoon by Clarence W. Klassen, chief of the Illinois Department of Public Health, who said either the city or the East Side Levee and Sanitary District can be ordered by the state to issue non-election revenue bonds and bill local residents.

The city has no assurance that it will be permitted to handle the program if voters shirk their "moral and legal responsibility," Klassen said. In fact, a rejection by voters of the Citizens' "economical, feasible and logical solution" would decrease the possibility of the city being allowed to proceed with the work, he added.

Addressing Citizens' Committee members and the public at the local YMCA, Klassen explained the reasons for the action by Granite City and described the Citizens' program as "the best plan that has been proposed."

Klassen disagreed when Second Ward Alderman Edmond Bartosik stressed the sewage treatment phase of pollution abatement. The alderman predicted that the city council would proceed with a treatment plant if the full program of halting seeping, basement back-ups and sewage overflow is defeated.

"We take a dim view of this," Klassen said. "It is usually a question of how long you can keep stalling. In this case, Granite City has stalled long enough."

Severs Vital Part Of Plan

"Inclusion of the separation of storm sewers from sanitary sewers is an integral part of the sewage treatment process. If you would build a treatment plant to take the entire flow, you would have a much larger expense for sewage treatment. The plan to be voted upon is more economical."

Separation of storm sewers is as much a part of the pollution abatement program as the sewerage treatment plant is," the state officer asserted.

Pontoon Beach Village Election Set For Dec. 8

County Judge Michael Kinney indicated Monday an election will be called Dec. 8 to determine whether the proposed village of Pontoon Beach will be incorporated.

Judge Kinney conducted a hearing on a petition for incorporation of the proposed village, which would include about 400 residents. Failing in favor of the petition, he said he will prepare a formal order setting the election date.

Attorneys Maurice Dalley and Dwight Taylor, representing the petitioners, filed an amended petition to exclude a small section of Chouteau township which had been included. That section is primarily agricultural in nature, the amendment noted.

The petition for incorporation, containing about 100 signatures, was filed May 21. Supporters cited a need for police protection and sewers.

The proposed village would include an area of about two square miles, extending east from Lake Drive to Route 111 and bounded on the south by Route 162. The north boundary would be Interstate Route 270.

QUAD-CITY BRIDES AND BRIDE-TO-BE, ANNIVERSARY

Miss Carol Cathey Becomes Bride Of Airman Charter

The wedding of Miss Carol Cathey, a daughter of Mr. and Mrs. Thomas C. Cathey, 2022 Washington avenue, and A. L. C. Richard Charter, whose parents are Mr. and Mrs. Hurley Charter of Rural Route One, took place at 8 o'clock Tuesday evening at St. Nicholas Memorial Methodist Church. Rev. Yarnie Barnett performed the candle-light ceremony.

Attendants were Miss Rita Cathey, a sister of the bride, and Thomas Cathey Jr., Jeffrey Watson, a nephew of the bride, who carried the rings. The candles were lighted by Mrs. C. Ray Watson, another sister of the bride.

Rev. C. Ray Watson, brother-in-law of the bride, served as usher.

A gown of white lace and satin was worn by the former Miss Cathey. It was made with a fitted bodice, long tapering sleeves and a round neckline. The skirt, with an apron effect in front, ended in a short train and a veil of tulle was held in place with a band of sequins and pearls. She carried a cascade bouquet of white gladioli and roses surrounded with variegated ivy.

The bridesmaid was attired in light blue nylon over tulle, trimmed with ruffles of lace on the ballerina-length skirt. Her flowers were white carnations and lemon leaf foliage with a touch of blue in the center of the bouquet. A headpiece of blue matched the dress.

The bride's mother wore beige with gold accessories and a corsage of pink carnations, while the bridegroom's mother selected a dress of brown with a matching corsage and a white carnation corsage.

A reception was held at Wesley Hall and the newlyweds left for a honeymoon in Ohio. The bridegroom, who is on leave, will depart soon for a tour of duty in Alaska.

Mrs. Russell West presided at the organ and accompanied the soloist, Miss Diana Thuis, as she sang the Lord's Prayer and "I Love You Truly."

AUTUMN BRIDE: Mrs. John Uffers Jr., the former Barbara Ann Bell, a daughter of Mr. and Mrs. Chester U. Bell of Alton, who was married Friday evening at Christ Church Cathedral in St. Louis. The bridegroom's parents reside in Madison.

MRS. RONALD BUTKOVITCH: Her wedding was an event of Saturday, taking place at Sacred Heart Catholic Church. The bride will be remembered as Donna Lee Edwards, a daughter of Mr. and Mrs. Harry L. Edwards of Bloomdale, Mo., and granddaughter of Mr. and Mrs. Ralph Corbey, 2400 Sheridan avenue, with whom she resided.

MISS ALICIA THOMAS, whose engagement to Bob Milankovic, a son of Mr. and Mrs. Robert Milankovic, 1413 Grand avenue is announced. The bride-to-be is a daughter of Mrs. Barbara Begemann, 203 Kirkpatrick Homes, and Dean Thomas of Belleville.

LEAVES FOR SCHOOL

William Braundmeier, a son of Mr. and Mrs. Ray Braundmeier, 2448 State street, left this week for Michigan State University at East Lansing, Mich. where he will study commercial floriculture. A 1960 graduate of the Granite City high school, he was employed for a year and a half by Home Nursery in Edwardsville, Mrs. Braundmeier and her son, Ken, accompanied him to Michigan.

MILANKOVIC-THOMAS ENGAGEMENT ANNOUNCED

Announcement is made of the engagement of Miss Alicia Thomas, a daughter of Mrs. Barbara Begemann, 203 Kirkpatrick Homes, and Dean Thomas of Belleville, to Bob Milankovic, son of Mr. and Mrs. Robert Milankovic, 1413 Grand avenue. The bride-to-be is employed by the Liberty Loan Co. her fiancé is proprietor of Bobs Auto Body Co. Both are graduates of the Granite City high school.

MRS. DONALD SCHNEFKE, who was married Saturday at Sacred Heart Catholic Church. A daughter of Mr. and Mrs. S. E. Coleman, 2619 Grand avenue, the bride is the former Sandra Coleman.

CELEBRATE GOLDEN WEDDING: Mr. and Mrs. Ben Olive, 701 Kirkpatrick Homes, who observed their fiftieth wedding anniversary at a dinner given by the Golden Circle Club of Kirkpatrick Homes Tuesday.

Golden Circle Honors Mr. Mrs. Olive On Anniversary

Mr. and Mrs. Ben Olive, 701 Kirkpatrick Homes, were honored on the fiftieth anniversary of their marriage Tuesday with a dinner party given by the Golden Circle.

The recreation hall, at Kirkpatrick Homes, where the dinner was served at noon, was appropriately decorated for the occasion by the members of the circle and more than 100 members and other friends attended the celebration.

Among the relatives of the couple present were Mr. and Mrs. Clarence O'Neil and Mrs. Ethel Smith, Mr. and Mrs. Bryant O'Neil, brothers and sisters of Mrs. Olive, and Mrs. Delores Craycraft, a niece of the Olivés, all from the Quad-Cities.

Following the dinner open house was held from two until four o'clock with cake and punch served.

Mr. and Mrs. Olive were married in Granite City Sept. 21, 1912, by Charles Sewell, then city magistrate and later postmaster.

Mrs. Olive was formerly Mrs. Ruby O'Neil. The Olivés have one son, Ben M. Olive Jr., who resides in Detroit, Mich. Mr. Olive, now retired, was formerly a Prudential Insurance agent.

PAST NOBLE GRAND CLUB MEETS

The Past Noble Grand Club of Ann Rutledge Rebekah Lodge 47 was entertained Tuesday at the home of Mrs. Burt Harris, 2402 Namecki road.

Mrs. Vera Schillingler was in charge and after a brief business session discussion there were games with prizes going to Mrs. Ethel Petri, Mrs. Myrtle Anderson, Mrs. Clara Harbig, Mrs. Ann Kunnenmann, Mrs. Violet Kanaum and Mrs. Joyce Bailey.

Refreshments were served and plans were made to meet Oct. 23 with Mrs. Schillingler at 2612 Delmar avenue.

Board Seeking New Insurance Bid Procedure

Granite City school board members took unanimous public stands Tuesday night for a change in insurance bid procedure and against direct negotiations with Teachers' Local 743.

All members were present except Treasurer Monroe Worthen. Asked to comment on the scheduled attendance of President Robert Spengler, Supt. Harold M. Kaiser and Administrative Assistant Victor Anderson at an annual meeting of School Business Officials in Dallas, Tex., Oct. 15-19, board members said they regarded a study of the insurance procedures as one of the primary purposes of the trip.

The consensus was that the three should report back on ways that the district could directly handle bidding for school insurance business.

Board members said all other school business is handled by direct bidding, and indicated they are considering terminating the present insurance program before next spring, when new policy premiums will be due. The Granite City Insurance Exchange currently handles the bids, dividing the business equally among its members.

Reject Direct Bargaining

The teachers' request for bargaining by the board or at least four board members was rejected 6-0 after the board expressed support for means of increasing understanding and contact between teachers and board members. Exact ways of accomplishing this are to be worked out by those negotiating on a salary agreement and list of working conditions.

The board also turned down three other suggested working agreement provisions and tentatively accepted five of the 11 sections. Two were dropped by mutual agreement.

Nine representatives of Local 743 attended the board meeting and were invited to join in a limited discussion.

Okay Addition Plans

The board approved working drawings of two building additions. Four classrooms are to be added to the south side of Naameki grade school and five classrooms and a kindergarten room to the east side of Mitchell grade school.

County and state officials will be asked to add their approval to the addition plans this week, enabling bids to be sought Oct. 4, opened Oct. 23 and awarded either Nov. 13 or an earlier special meeting.

Granite City high school buses now are parking on the surfaced

area behind the school gymnasium, easing traffic conditions, it was noted.

Supt. Kaiser and Principal Lawrence McCauley were authorized to attend Oct. 1, 2 and 3 sessions of the North Central Association of Colleges and Secondary Schools at Champaign.

Two elementary principals will attend an Elementary Principals' meeting there Oct. 4 and two others on Oct. 5.

The board decided not to alter its policy banning use of the GCES auditorium for entertainment performance.

Discuss Investment

Possible investment of school activity funds was discussed and present teaching assignments were reviewed during an hour-long private discussion beginning at 11:40 p.m. A board member suggested a specific change, it was learned, but no action was taken.

The board approved continued employment of two extra painters until exterior painting of Washington school is finished. Remaining interior work will be performed by the regular painting staff. The extra painter has been employed for the past three months.

Fuel oil business was awarded to Joseph F. Reddy, Clayton, Mo., on a low bid of 7.53 cents per gallon. The 5 oil for American Oil Co., East St. Louis, on a low bid of 10.23 cents on No. 2 oil, and the No. 5 bid is less than that of a year ago.

Accepting low bids except where quality deficiencies were noted, the board awarded contracts for food orders totaling \$11,045 to Chris Hoerr and Son, Peoria, \$7879 to J. F. Conrad, St. Louis, \$5312 to Sunn Capital Co., Wood River, \$2108 to Storch and Hausmann, St. Louis, and \$1741 to Allen Foods, St. Louis.

Lighting supply vendors named were Ver-A-Ray Corp., Toledo, O., for lamps and starters, and Alpha Distributing Co., St. Louis for ballasts.

It was decided to purchase a \$192 sewing machine and 12 sewing benches totaling \$123 from Singer Sewing Machine Co. for Frasier Junior High school and a \$99 photo-copy machine from A. B. Dick Co. for the high school vocational education department.

Bills approved totaled \$35,683 in the educational fund and \$16,014 in the building fund.

Sent To County Jail

Frank Kinderman, 41, of St. Louis, was arrested by Madison police Tuesday night at Ann and Eddie's tavern, 14th street and Madison avenue, for disorderly conduct. Sent to the county jail in lieu of \$25 bond, he is to be returned Saturday for a hearing before Madison Police Magistrate John Brick.

Hospital Grants Diplomas To 15 New Nurses Aides

Fifteen women received diplomas yesterday at St. Elizabeth Hospital upon completion of intensive nurse aide training. Sister Mary Thomas, hospital administrator, presented the diplomas.

Sister Thomas urged the graduates to continue learning, and to "gain a reverence for medical care and treatment." She said while they now know much more than the average person about medical care, they should always be ready to admit, "I don't know."

The administrator said those

nurses who have been praised most often by patients have always been those who have taken a genuine, devoted interest in the welfare and comfort of their patients.

Mrs. Marietta Daniels, R.N., course instructor, congratulated the graduates on their work during the training period.

Receiving diplomas were Jessie Albert, Helen Arico, Julia Bolton, Lulu Craig, June Evans, Mary Ford, Lydia Henderson, Freda Leaton, Vesta Lewis, Dorothy McCain, Clara Ormiston, Cornelia Owens, Elsie Quinlan, Jane Smith and Joan Welch.

Girl Scout leaders of Neighborhood Two of the River Bluff Council met Tuesday at Emerson school. The meeting was opened with the scout promise by Mrs. Wilmer Hancock, neighborhood chairman.

Mrs. Rita Forrester was elected treasurer after the resignation of Mrs. Zoe Christakos, who is moving.

Mrs. Delores Hudson, was inducted as troop consultant and will attend a meeting at Peoria, Ill. Oct. 3 and 4 on "Program Change." Mrs. Alice Hecht is alternate delegate.

Miss Judy Jones explained that all leaders who have girls with the qualifications to join "Tepees" should get in touch with her. The girls must have had three years of established camp and one year of day camp.

Mrs. Haack announced that there will be an arts and crafts workshop Nov. 13. Christmas ideas will be given. A recognition dinner for the leaders will be held Oct. 30 at the American Legion hall in Venice at 6:30 p.m. The Christmas Festival of Giving will be held Oct. 2, with Logan school to serve as the committee for Neighborhood Two. About 15 leaders were present.

Sunbeams of Bethesda Baptist Church met Tuesday evening, a

travel party was held for Jackie Jones and Barbara Fithens, who were promoted to the A.A.'s. A message was sent to Robin Smith, who is ill, with wishes for a speedy recovery.

It was announced that any child between the ages of four and seven years is welcome to join the group.

Refreshments were served to Kathy Fitzhugh, Jerry and Jackie Jones, Patricia Fithens, Linda and Brenda Sullivan, Cindy, Reuben and Pamela Wyatt and visitors, Mrs. Frances Sykes and children, Glenda and Ricky. Leaders are Mr. and Mrs. Carl Fitzhugh.

Burglars Tear Open Market To Steal \$30

Thieves worked hard to get \$30 and several cartons of cigarettes at Emmitt's market, Edwards street and Ridgeland avenue.

They tore loose siding and boards on the east side of the warehouse to gain entrance early Tuesday morning. A window was smashed to get into the store, where the cash and cigarettes were stolen.

The break-in was discovered about 8 a.m. Tuesday by the proprietor, Emmitt Viessman.

A 24-car caravan paraded from the school to the junior high school, then to Granite City high school and back through the downtown area.

Another recent activity highlight was an hour-long assembly program featuring magician John Frye. Billed as a session of "mystery and mirth," it provided an entertaining break for the students.

JUNIOR ACHIEVEMENT ADVISERS at the Granite City Steel Co. meet with board chairman Nicholas P. Veeder, seated, to plan the upcoming JA year. Advisers are, from the left, Richard Wohlshlag, Dennis Rupprecht, Donald Gillespie, coordinating adviser Charles Rodell, Robert Lombardi and Philip Heath.

Junior Achievement Plans New Approach, Expansion

Junior Achievement companies serving Quad-Cities youth will be increased from 12 to 17 this year, with a comparable increase in student participation expected.

A spokesman for Junior Achievement of the Mississippi Valley, Inc., headquartered at Florissant, Mo., said the expanded program is made possible by a new concept in JA organization which will be put into action this year.

The new plan will feature less dependence by the students on their adult advisers—but it will also require more skill on the part of advisers guiding the youngsters to do all the actual work of the program.

The Mississippi Valley organization, the spokesman said, is the only one in the nation to try the new plan. He said the change has been approved by the board of directors and the national JA office.

"Actually, the eyes of JA groups across the nation will be on this year," he said. "If the new approach is successful, it likely will become the accepted practice of JA everywhere."

Two training meetings of Mississippi Valley advisers have been held, with participation by the students to begin Oct. 8. After that, the students will begin production and sale of chosen products in their selected firms.

Teaches Free Enterprise

The purpose of Junior Achievement is to teach young men and women—by actual practice—the American system of free enterprise and the necessity of a company making a profit.

The students, under the direction of capable advisers, organize and manage business firms under the sponsorship of "parent" companies. In the past, one of the criticisms of the JA program has been that the advisers took too active a role in the actual production and sale of JA products, rather than teaching the high-school-age officers to effectively lead their companies.

The new approach of the Mississippi Valley JA is planned to eliminate this problem.

Products to be produced by JA companies this year have been chosen. They will include a home fire extinguisher, a patio lamp and table, a Christmas card holder, a driveway guide reflector and a new type beverage can opener.

Increase Expected

A Junior Achievement representative has discussed the program with Venice high school students, and will speak to students at Granite City high school in the near future. Last year, an estimated 400 students participated in the 12 local JA firms. The number is expected to increase significantly this year.

One of the most enthusiastic JA groups in the Quad-Cities has been six men who are planning the Granite City Steel Co. program. Specially selected advisers were chosen by the firm a month ago and have been working steadily since then to carry out the program.

The six men—who will handle four Granite City Steel-sponsored JA companies—are Donald Gillespie, Philip Heath, Robert Lombardi, Charles Rodell, Dennis Rupprecht and Richard Wohlshlag. Two are sales advisers, two are production advisers and two are accounting advisers.

Work With Top Officials
Rodell, who heads the group as coordinating adviser, is well known for his work in the Boy Scout program. He and the other men have been working directly with top executives of the company, using their experience and knowledge as a basis for formulating plans for the coming year.

They will meet shortly with

other top company officials to get their advice on sales, financial and production techniques. Then they will hold a special "get acquainted" meeting with their young charges in the company's general office building before the actual production year gets underway at the local JA center.

Junior Achievement participants—students and advisers alike—are hoping the new approach of the Mississippi Valley group will make the Junior Achievement program for Quad-Cities youth even more successful than it has been in the past.

TO ATTEND GAA MEET

Four Granite City high school girls, accompanied by their faculty adviser, Miss Barbara Kerch, will attend an Illinois high school GAA workshop at Mattoon this weekend. The students are Pam Bradley, Linda McColligan, Cheryl Oradish and Gloria Ray.

The group will leave tomorrow night and after the meeting will visit Eastern Illinois University at Charleston where former GCHS students will serve as their hosts.

Miss Bradley will serve as recorder for one of the evening discussion groups. Miss Kerch will act as discussion leader for a meeting of new GAA advisers.

VENICE NOTES

By Michael Lopez

Twelve Venice high school girls participated in try-outs for the five positions on the VHS cheerleading squad this morning. Applicants, who performed before the entire student body during home room period, will be judged by a faculty committee. Cheerleaders are chosen on scholastic ability, cheerleading ability, personality and the ability to get along with others.

Girls seeking cheerleading positions are freshmen Bernice Koelker, Barbara Manier, Mary Lane, Mary Lou Wykert, Judy Ridelberger and Mary Jane Gray; sophomores Kathy Yearman and Marilyn Gonterman; juniors Judy Johnson and Roseann Cooper; and seniors Sharon Frawley and Gloria Ponce.

The Junior Class of VHS held a special meeting Tuesday afternoon to meet with a representative of the Curtis Distributing Co. to plan a magazine sales campaign. Ken McMullen, class president, said the juniors will again participate in the "Curtis Plan" to raise funds by selling magazine subscriptions.

Profits derived from the subscription sales will go into the class treasury activity fund. The fund finances the Junior Class' annual event of the year, the Junior-Senior banquet and prom which is held each spring.

At a Senior Class meeting Monday morning, members of the graduating class chose their 1963 class ring. A company representative, Bill Christ, took orders and will deliver the rings in the latter part of November.

VHS faculty members were photographed Tuesday for the 1963 "Yearbook." Sale of the yearbook continues this week, with subscriptions taken by any member of staff. The staff has announced a time-payment plan for students who do not wish to pay the entire cost at one time.

SUI HOLDS POPULARITY LEAD WITH '63 GRADS

Southern Illinois University outdistanced all other institutions by a wide margin as choice of college by last year's Granite City high school graduates, according to Principal Lawrence McCauley. Of 121 requests for transcripts received, 62 were to be sent to SIU.

The University of Illinois pro-

vided second in popularity with 10 transcript requests, McCauley said, and Illinois State Normal University was third with six requests. Five were received from Milliken University at Decatur.

St. Louis University and Eastern Illinois University each were subject of four requests, while Bradley University, the University of Missouri and Central Methodist College at Fayette, Mo., each had three.

Washington University, Rolla (Mo.) School of Mines and Purdue University were named recipient in two requests each, McCauley said. One request for a transcript to each of the following was received:

Drake University, Southwest Baptist College, Ball State (Ind.) Teachers College, University of Oklahoma, Southwest Missouri State, Ripon College, Elmhurst College, Illinois Wesleyan, Northwestern University, McKendree College, University of Michigan, Illinois College and the Logan Basic Chiropractic Clinic.

MADISON NEWS

By Diana Fox

Sale of the 1962-63 Madison high school yearbook began Monday. The staff, under the direction of Lee Ashby, faculty advisor, includes Ralph Ridout, business manager, and Donna Achor as business secretary.

Yearbook editors are Donna Dowhitt, undersecretary; Penny Maestas, advertising; Mike Moss, sports; Joyce Parvley, activities; and Bernie Sabol, seniors.

Penny Maestas was named president of the National Honor Society at its organizational meeting last week. Donna Dowhitt is vice-president. Bill Kallchoff secretary and Bill Smock, treasurer. Plans for the year's activities were discussed at the meeting.

Officers were elected this week by the MHS advanced and beginning chorus classes. The advanced class officers are Gloria Browning, president; Ernest Meyers, vice-president and secretary; Gary Hanerkamp, treasurer; and Novella Smock, librarian.

STUDENTS—New practical nurse students of St. Elizabeth Hospital are (left to right) Mrs. Mary Viser, Mrs. Dona Boyer, Mrs. Laura Silek, Miss Mary Adams shown checking the blood pressure of a patient, and Miss Alvester Bishop. The patient is Miss Jo Ann Svoboda. All are from Granite City except Miss Bishop, who is a resident of Madison. They began classes at the hospital this week.

Posti Driver's License

John H. Wittick, 48, of 2219 Benton street, posted his driver's license Tuesday night when he was charged with careless driving and running a stop sign.

Police said he was driving north on Delmar avenue and was involved in a collision with a taxicab driven by Wesley E. Baker, 30, of 2119 Bryan avenue, that was heading east on 20th street.

Fenders were damaged on both autos. The accident occurred at 7:25 p.m.

The Suit That Really Cuts Your Pressing Bills!

"It's not the original cost but the upkeep." It applies equally to suits, cars, yachts and wives. It has been figured that many suits cost more to maintain than the original cost. However, it is our experience that a Worsted-Tex suit requires far fewer pressing than the average suit regardless of its price range. This is due to the 2 x 2 ply fabric with their double twisted yarns which bounce back from wrinkles quicker than fabrics normally found in suits at anywhere near the price of Worsted-Tex.

There is also the live tailoring, much of it done by hand, that contributes to the unusual shape-retaining characteristics of Worsted-Tex clothing.

After the business meeting, slides were shown of the summer day camp held at Wilson Park under the sponsorship of the Association for Retarded and the Park.

Thirty were present Monday and plans were made to meet again Oct. 22.

Workshop Here Tuesday
On Driver Education

Granite City high school will be host to a driver education fall workshop from 9 a.m. to 3 p.m.

Tuesday, Oct. 2. Driving instructors from Madison, St. Clair, Bond and Clinton counties will convene in the auditorium to hear talks by representatives of the Illinois secretary of state, state superintendent of public instruction, an insurance casualty company and the American Automobile Association. Joseph Fedora of the GCHS faculty will be chairman.

After a luncheon in the school cafeteria, the group will hear panel discussion relating to driver education and safety. The workshop, one of 12 being held throughout the state next week, will be sponsored by the Illinois driver education Association and Illinois Office of Public Instruction.

Unions Picking Delegate
For State Convention

Delegates representing about 20 local unions are expected to attend the state AFL-CIO convention to be held Oct. 8-12 in Springfield.

Edwin Relske, president of the Tri-City Trades & Labor Council, said the locals are in the process of selecting delegates.

"We have three resolutions from the central body here to present to the convention," Relske said.

He said the resolutions signify the local council's opposition to the judicial amendment to be voted upon in November, the banking and the placing of setting basins in Horseshoe Lake by an industry.

Early Morning Collision

A collision at 3:05 a. m. Tuesday at Main street and Broadway, Venice, damaged the grille and hood of the westbound auto of Gerald Myatt, 24, of 1937 Madison street.

The front bumper and grille of the northbound car of John Williams, 38, St. Louis.

Venice Group Holds Mortgage Ceremony

Final payment on the Venice Homecoming Association property mortgage was made Tuesday night at a mortgage burning ceremony at the McKinley Bridge office.

Dan W. McGee, association president, presented a final check to Dr. John E. Lee, president of the First National Bank in Madison. The mortgage was paid off 11 months in advance of its expiration date.

The Homecoming Association property, located at Third Street and Broadway, was purchased five years ago. Payments have been financed by proceeds from the annual Venice homecoming celebration.

The Homecoming Association earlier this year announced plans for improving the property and expanding their activities once the final mortgage payment was made.

Donald Tilley, 25, of 2317 Independence drive, was released Tuesday afternoon on \$250 property bond after he was charged with deception. His hearing was set for Monday by Police Magistrate Gasparovic.

Local Photographers Attend S. Ill. Art League Session

Calvin Lazenby Jr., Charles C. Chapman, Nick Mangoff, Alex Markuly and James Gitchoff were photographers from this area in attendance Monday at the 85th semi-annual meeting of the Southern Illinois Art League, a group of professional photographers, held at Pere Marquette State Park lodge.

On the program were three Master of Photography speakers. They were Harold Beach of Maywood, Ill., who discussed the exhibited examples of commercial photography; and led a discussion on how they were made; Leo Gredell of Keokuk, Ia., who spoke on direct color photography and displayed samples; and John Amborn of Fort Madison, Ia., who discussed portrait photography.

Lunch was served in the lodge dining room, and in the afternoon a panel discussion on all phases of studio operation and how all could improve products and services was led by Del Valie.

After the meeting adjourned, Fred and Kay Landon of Country Side Studio in Jerseyville, hosts at the meeting, invited the group to visit their studio.

CHOOSE PATROL LEADERS

Girl Scout Troop 170 met Monday afternoon and will continue to meet each Monday in the luncheon of the Louis Baer school. A flag ceremony was used to open the first meeting of the school term.

A luncheon election was held, with Laura Wilson being patrol leader of Group One and Sharon Ann Morgan patrol leader of Group Two, with Deborah Votoupsal as treasurer. A party is being planned for Oct. 4 by the members in observance of the troop's first birthday. Mary Nell Stroder, Christine Kelly, Norma Kelly and Connie Pechocinski attended the remainder of the troop songs which they sang at camp.

Other members attending the first meeting were Kathy Bransfield, Phyllis Frizell and Jackie Adams. The leader, Mrs. Jackie Frizell, will meet each week with the girls and assist with plans being made for various projects.

CRADLE SHOWER

A cradle shower was held Sunday afternoon honoring Mrs. Janice Myatt in her home, 1937 Rhodes street. The shower was given by Mrs. Myatt's mother, Mrs. Edna Woods of Chokolia, and Mrs. Marilyn Durbrow of Granite City.

The refreshment table was adorned with a punch bowl holding a centerpiece of two storki floating in a heart-shaped ice cube. Attractively wrapped packages were placed on a decorated table under a large stork. Games were played, with prizes being awarded to the winners.

Guests present included Mrs. Cook, Mrs. Rose Mary Feltner, Mrs. Pearl Bollinger, Mrs. Ruth Hammond, Mrs. Pat Durbrow, Mrs. Fay Travis, Mrs. Pat Ballard, Mrs. Ruby Heffner, Mrs. Audrey Eddleman and Mrs. Peggy Heffner.

The hostess served refreshments prior to the opening of the gifts.

Jolene Varady, daughter of Mr. and Mrs. Joe Varady, 2000 Fourth street, entered St. Elizabeth Hospital Sunday afternoon. Jolene is a pneumonia patient. She is five years of age and is in kindergarten at the Louis Baer school.

Attend Annual Insurance Luncheon

Six representatives from the Illinois District office of the Metropolitan Life Insurance Co. here attended the annual business meeting and luncheon of the Southern Illinois chapter of the company's Veterans Association at the Coronado Hotel in St. Louis Wednesday. They were George Bangert, Gregor Silb, Frank Zenik, Mural Anderson, assistant manager, Verla Krout, office supervisor, and John Lentz, manager.

Membership in the association is made up of persons employed by Metropolitan for at least 20 years. Approximately 150 members from district offices in the southern half of Illinois attended the annual meeting.

Former GC Post Office Employee On Probation

(Special from Springfield)
A former Granite City post office employee, Theodore C. Jensen, 41, of 2121 Clark avenue, was placed on probation for four years Monday by U. S. District Judge Omer Poos. Jensen pleaded guilty to an information on theft of U. S. mail matter.

His attorney, Terryl Francis, said the amount was between \$400 and \$500. The court ruled Jensen has three years in which to make restitution. The theft involved mail to the Madison County Tuberculosis Association on Dec. 1, 1961. It was learned from Assistant U. S. Atty. Leon Strogan.

Needs Of Estate Planning Topic Of Rotary Program

Attorney Leo H. Konzen was the guest speaker Tuesday at the Granite City Rotary club. He stressed the need of an individual to plan his estate in preparation for possible death. He said with many years ago may have many bad consequences now in view of the growth of the estate. People are apathetic, he said, and should look into the tax advantages that are possible, for the good of the survivors and heirs.

One sure way to deceive yourself is to get the idea you are smarter than the other fellow.

Assessors' Association Meeting Held Today

Township assessors are meeting today at an executive session of the Madison County Assessor's association, called by its president, Alton Assessor James P. Gorman. The purpose is to discuss the general policies to be followed in making the 1963 quadrennial assessment.

The committee meeting began this morning in the office of County Treasurer Dan McGee, the county supervisor of assessments. The session is a preliminary to a series of conferences to be held prior to the annual meeting of the organization in December.

Von Dee Cruse of Granite City township, Joseph Bergrath of Venice township and Otis H. Reeves of Chouteau township are members of the executive committee.

The general aim of the conference is to keep uniform the work of the various township assessors. The assessors hope to keep next year's assessment on the basis of 90% of full value and thus assure the multiplier of one which has been in effect since 1958. That means the assessment is accepted without being boosted by the state department for equalization.

Local Hairdressers' Unit Gets Top Award

Earl Parsons, Granite City hairdresser, returned Monday night from Chicago where he attended the Illinois Hairdressers' Association convention. Unit 40, of which Parsons is president, received the top unit award.

Unit 40 includes the Quad-Cities, East St. Louis, Belleville and Collinsville areas. The award as outstanding unit in the state was based on unit program and membership promotion.

Parsons received a \$100 award on behalf of the unit, one of 47

which were in the competition. He said the money will be used to secure top artists to instruct members of the local association in advance and better hair styling.

Also attending the convention was Carl Peall of Granite City, who operates the Coiffure School of Beauty Culture at Belleville.

Just because an order is issued, you can dispel any such idea. This is not true. The same with the state if the state forces you to do the job. It will be your money in any case.

"Waiting for an order to stop pollution puts you in a most unfavorable position to get assistance from the state or federal governments or a recommendation from the state of Illinois for federal aid."

Moral Responsibility
"It is not a question of whether Granite City is going to have a sewage treatment plant. I can assure you that this has been decided. The question is whether you will decide voluntarily or have some outside agency force Granite City to do something which is your legal and moral responsibility to do. The order won't help you at all."

"It may seem a little incredible," Klassen remarked, "that a community would have to be forced to do something that is a municipal responsibility. It's a question of common decency. The objective is to keep sewage under control and render it harmless and inoffensive."

"Your decision is whether you want to go along voluntarily or whether you want the Sanitary Water Board to order Granite City to do the job. I reiterate, the question of whether sewage treatment must be provided has already been decided. There is no question about this."

Last Holdouts In State

"At present, 97% of sewage in Illinois is tributary to treatment plants."

"Three percent of the people of this state are not providing this 3%, three-fourths is in the area from Alton to East St. Louis. This is why it finally came and began concentrating on this area."

Here is the picture in other parts of Illinois. East Dubuque has a treatment plant. Savannah and Fulton have treatment, as does East Moline, including the State Hospital.

"The city of Moline has one plant built, and financing is arranged to build a second plant. Rock Island, Milan and Quincy have treatment plants. Grout has treatment. At present, along the Illinois River, every municipality has a treatment plant in operation except Chicago, and it is under way."

"Alton is taking bids in the next two or three days. They have the financing."

"East St. Louis is in the process of securing pollution treatment. Wood River and Hartford have plants. Dupu and Columbia have completed their plants. Chester is ready to get under construction, and Cairo will be under construction after the start of the year."

Klassen reviewed the history of securing pollution treatment and said that state and federal authority to force local action has been clarified by court tests in the past.

KEEP FREEDOM IN YOUR FUTURE WITH U. S. SAVINGS BONDS

That is the message on the 1963 Treasury poster displayed here by Henry D. Karandjeff of Granite City (left), Madison County Savings Bonds chairman, and William H. Neal, national director of the Savings Bonds division.

H. D. Karandjeff Attends Savings Bond Meeting

Madison County Savings Bonds Chairman Henry D. Karandjeff attended a recent meeting of the Savings Bonds committee at the American Bankers Association convention in Atlantic City to report on the progress of local bond sales and discuss with other chairmen and treasury representatives sales promotion plans for next year's campaign.

Treasury official William H. Neal, national chairman of the Savings Bonds division, told the volunteer group of chairmen that the continued sale of Savings Bonds is important to the economic welfare of individual Americans of the nation. He thanked the bankers for their continued and effective support through 21 years of the Savings Bonds program and urged them to encourage those Americans who are not participating in the program to look upon it as a sound means of achieving family financial goals in the years ahead.

Two Court Appearances Set For Madison Youth

Hearings are set for David Zeoff, 19, of the 1800 block of Fourth street, Madison, in Freeburg and Granite City Saturday.

Unless a continuance is granted by Saturday he will be expected to appear before Police Magistrate Gasparovic on a reckless driving charge. He was injured Sept. 16 when the auto he was driving struck a utility pole on State street, knocking it and power lines down. He was hospitalized with injuries to the head, ribs, back and shoulder. He posted his driver's license as bail.

He also is scheduled to appear before Police Magistrate Edmund Klein of Freeburg Saturday on a charge of assault with a deadly weapon.

Zeoff is accused of cutting and beating Robert Palmer, 23, of East St. Louis, outside a night club on Route 15, east of Belleville. The fight occurred Aug. 27 as Palmer was leaving the establishment. Zeoff is free on \$500 bond on that charge.

There are two other charges against him in Granite City. He is free on \$500 bonds on each. The charges are theft and escape.

It is alleged that Zeoff stole two racing tires and wheels from the backyard of James Giese, 1720 Venice avenue, on May 15. Police said the property, valued at about \$80, was recovered from the garage of the Zeoff home through the cooperation of the Madison police department.

While in police custody pertaining to the theft charge, Zeoff was permitted to make a telephone call. Police said he walked out of the Granite City police station. He was apprehended again at his home, Granite City, Justice of the Peace Harry Justice has not yet set hearings on the latter two charges.

Fire Prevention Week Observance Approaches

The five local fire departments of Granite City, Madison, Venice, Mitchell and Long Lake will observe Fire Prevention week Oct. 7-13 in cooperation with the Tri-Cities Independent Insurance Agents Association.

They will be joining in the observance with fire departments and safety groups all over the nation that week. The purpose of Fire Prevention Week is to educate the people of the need for greater fire prevention and safety.

Last year, 11,700 persons died in fires and another 70,000 were injured. Property losses from fires rose to a record high of more than 9% over 1960.

The National Board of Fire Underwriters estimated that three out of every four fires are the result of carelessness.

Among the safety tips given by the area fire departments is the warning that small children never should be left alone but should be left in the care of an adult or qualified babysitter.

Jayceettes Plan Hat Party

The Jayceettes met Monday evening at the Big Top Bowl with nineteen present, including three guests, Mrs. Loyden Davis, Mrs. Joan Miles and Mrs. Linda Vesel.

A business session was held and plans were made for a hat party Oct. 15 and a Halloween frolic Oct. 27.

The program was given by Mrs. Peggy Stevens, an interior decorator and consultant for a St. Louis furniture store and a local paint store, who discussed "Decorating".

The next meeting will be held Oct. 29 when the program will be given by a representative from a cosmetic firm. Hostesses at Monday's meeting were Mrs. Jane Schwartz and Mrs. Jeanette Holder.

Mrs. Stevens Is Hostess For Club

Lesche Literary Club members were entertained Tuesday afternoon in the home of Mrs. Lee Stevens, 2940 Iowa street.

The hostess served a dessert to eighteen members, and the president, Mrs. Henry George, conducted a business discussion.

The program consisted of a review of the book, "Madeline," (Gavin) by Mrs. Bernard Miller, Jr., and current events by Mrs. William Miller. The study topic for 1962-63 is "Historical Novels."

The next meeting will be Oct. 9 in the home of Mrs. Janet R. Craddock, 3241 Rodger avenue.

MUSIC CLUB WILL RESUME

The first fall meeting of the Etude Music Club will be held Tuesday afternoon, Oct. 2, in the home of Mrs. E. H. Halama, 1919 Cleveland blvd.

Coolidge Junior High PTA First Fall Meeting

The first 1962-63 meeting of the Coolidge junior high school PTA was held Monday night in the all-purpose room at the school. Mrs. Kathleen Tadlock, president, opened the meeting by reading the PTA prayer, and Principal Ralph Frohardt led the members in the pledge of allegiance.

Mrs. Lois Haynes, president, opened the business meeting and called for reports. The budget for the new year was presented and approved. Mrs. Kathleen Tadlock, Area PTA Council representative, announced that there will be a workshop for PTA officers tonight at 7:30 at Washington school.

Mrs. Haynes appointed a committee of three, Frohardt, Lewis Sabin and Bill McGee, to investigate prices on two TV sets for use in the school. It also was noted that other PTA groups are interested in the purchase of TV sets, and joint purchases were proposed.

Mrs. Elsie Rodell, Mrs. Dorothy Hamilton and Mrs. Elva Mae Spiceland were named by Mrs. Haynes as a committee to revise the by-laws for the PTA. Frohardt was introduced by the president and in turn introduced the assistant principal, Frank Kraus, who when presented the faculty members.

Mrs. Haynes announced officers and committees for the new year: Mrs. Rodell, vice-president; Mrs. Spiceland, recording secretary; Sabin, treasurer; Mrs. Hamilton, corresponding secretary; membership chairman, Mrs. Charlotte Thompson; program, Mrs. Rodell; ways and means, Mrs. Edith McGee; health, Mrs. Marge Hiltner; hospitality, Mrs. Wanda Sabin; Mrs. Dorothy Sabin; legislation, John Dufer; safety, Homer Johnson; yearbook, Mrs. Rodell and Bob Moske; and Girl Scout representative, Mrs. Olivia Kuenne.

Mrs. Rodell, as program chairman, introduced Frank Vesel, Eighth Ward alderman, and John McBride, vice-president of Union Starch and Refining Co., who spoke on the pollution-drainage bond issue election Oct. 2. A question-and-answer period followed their talks.

Following the program, refreshments were served by the hospitality committee. The next regular meeting will be held at the school on Oct. 22.

LOCAL STUDENTS AT OLIVET NAZARENE COLLEGE

Miss Judith Kay Cox, a daughter of Mr. and Mrs. Oscar Cox, 2511 East 24th street, has enrolled in Olivet Nazarene College in Kankakee, Ill., according to an announcement by the director of admissions, Norman Moore. She will major in music.

Other local students at the college are Ronald Martin, son of Mr. and Mrs. Roscoe Martin, 2720 Buxton avenue, who is returning for his sophomore year, majoring in theology, and Miss Janette Cline, a daughter of Mr. and Mrs. George Cline, 1641 Lindell blvd., who is beginning her junior year with elementary education as her major.

Olivet Nazarene College is one of seven colleges sponsored by the Church of the Nazarene. It has an enrollment of about 1200 students and is an accredited liberal arts college.

RETURN TO CARBONDALE

Hadley and David Thompson, sons of Mr. and Mrs. Malcolm Thompson of Breckenridge, have resumed their studies at Southern Illinois University in Carbondale where Hadley is a senior and his brother is a sophomore.

Dorcas Class Elects Officers

A report of the nominating committee was submitted and the following officers for the coming year were elected Tuesday evening at a meeting of the Dorcas Class of First Baptist Church:

Mrs. Rose Mott, president; Mrs. Ruby Rice, vice-president; Mrs. Dorothy Daiger and Mrs. Edith Johnson, secretaries; Mrs. Millie Vogler, treasurer; Mrs. Lena Scarborough, flower fund; Mrs. Iva Olive, stewardship; and Mrs. Gladys Bradway, plantist.

Mrs. Inogene Claxton, the retiring president, opened the meeting and after prayer by Mrs. Florence Medcalf, devotions were given by Mrs. Ola Warren. The teachers thought by Mrs. Ella Signa was "Growing in Grace". The project for the month is a gift to a member who is ill.

The next meeting of the class has been postponed until Oct. 23, due to revival services for the coming week.

Refreshments were served at Tuesday's meeting by Mrs. Bradway and Mrs. Mae Lambert to eighteen members.

Eagles Auxiliary Plans Party

A meeting of the Eagles Auxiliary was held Tuesday evening with Mrs. Florida Batson in charge.

Announcement was made of a meeting of District Eight to be held in Wood River at 1 p.m. at the Eagles home, and Miss Sylvia Ray and Mrs. Margie Hall, chairmen, discussed final plans for a pillowcase party for Sunday afternoon Oct. 7.

Mrs. Flo Hillis and Mrs. Mae Amish will be in charge of the anniversary dinner to be held at 6:30 p.m. Oct. 9, and an invitation was received from the Decorative Auxiliary inviting the escorts to participate in a class initiation for an anniversary party Nov. 11.

The prize for the evening went to Mrs. Ann Konopka, and the "white elephant" was won by Mrs. Bernice Johnson.

The next regular meeting will be held Oct. 9.

A new member was enrolled at Tuesday's meeting.

New Brownies Elect Officers

A newly-formed Brownie troop, sponsored by the Name-olki grade school PTA, met Tuesday afternoon at the school for its second meeting and elected officers. They are Vicki Campbell, president, and Charlene Payne, treasurer. The leaders are Mrs. Leonard Gertsch and Mrs. Ernest McDonald.

During the meeting the girls recited the Brownie pledge and sang the Brownie song before the Brownie story was told. They also played games and had a work project.

Other members present were Elizabeth Acosta, Denise Brase, Sue Ellen Carbaugh, Cheryl Gertsch, Linda McDonald, Gail Price, Deborah Roller, Janet Shanta, Mindi Sigite, Diana Smith, Cathy Warner and Linda Young.

Mrs. Bunn New President Of Victory Mothers

Victory Mothers Unit Two held a regular meeting Tuesday evening at the JCOF hall.

Sadie Peacher, presiding, installation of officers was conducted by the state president, Mary Kriener of Unit 18, Edwardsville, and the sergeant-at-arms, Mrs. Dora Koenig, Unit 18.

Those installed were: president, Mrs. Mary Bunn; senior vice-president, Mrs. Ann Sternberg; junior vice-president, Mrs. Minnie King; treasurer, Mrs. Geneva Grundon; recording secretary, Mrs. Irma Bernais; corresponding secretary, Mrs. Vina

MORE ABOUT State Engineer

(Continued from Page 1)

num figure of 1735 cubic feet a quarter.

The 85% is correct for the winter quarter, and that is the season which will determine the sewage treatment service charge for the ensuing 12 months, it was related.

Klassen described this as a "bargain," since his home city of Springfield collects more for treatment in the summer than in the winter. He said the local plan also is completely fair because "all water used in the winter goes into the sewers"; the winter water bill accurately shows actual use of the sewer system.

The engineer stressed that no matter when the improvements are carried out, or which agency handles the work, local residents will pay the major part of the cost. "Waiting for the state to step in" would not lead to state funds being provided, he explained.

Klassen also said it is not true that it does not matter whether Granite City separates its sanitary sewage and storm water at the same time it begins water treatment.

Treatment plants built to handle storm water as well as sewage have to be built "two or three times larger" than otherwise necessary, the chief sanitary engineer noted. This is the reason why the Citizens' Program to be voted on next Tuesday offers a \$1,700,000 saving in treatment plant construction and \$70,000 yearly operating savings.

Economy would become even more important in future years if the federal government ordered secondary as well as primary treatment, Klassen said, adding that the cost for Granite City would be huge unless it has a separate two-pipe drainage system.

It was also brought out that while the Illinois Sanitary Water Board's primary concern in pollution abatement is to end river and stream pollution, the Department of Public Health has an interest in the elimination of health hazards from raw sewage overflow within communities.

Absentee Ballots Sent To County Servicemen

Official ballots were mailed Monday by County Clerk Miss Eulalia Hotz to 72 absentee voter applicants in the Armed Forces.

Monday was the first day for filling absentee ballot applications from Madison countyans in the U. S. service seeking to vote in the Nov. 6 general election.

Initial date for absentee ballot applications by civilians is Oct. 8.

Republican ballots available for absentee voters have vacancies for two Republican county office nominations — those of county superintendent of schools and probate judge.

Two candidates nominated by write-in method at the April primary later withdrew. The Madison county Republican Central Committee failed to fill the vacancies before the printing of the official ballots in time for mailing to absentee service voters.

GCHS Alumni Group Sets Oct. 24 Banquet Date

Officers and guests of the Granite City high school Alumni Association met last night in the office of the high school principal.

Others attending were Earl Parsons, Ralph Monken, Dan Brawley, Orville Ganz, Mrs. Gail Gargac, and Mrs. Eva Meier, officers, and Robert Spengler, school board president, John Davis and Ruby Wagoner, guests.

Plans for the dinner to be held Oct. 24 were coordinated and duties were assigned. The ticket will include dinner, membership and the senior class play. The evening will be held "Granite City High School Alumni Association Presents Premiere Night." Anyone may attend the dinner.

Local Delegates Attend Lutheran Convention

Mrs. Arvin Twietmeyer and Mrs. Louise King, delegates, and five guests, from Concordia Lutheran Church, together with two delegates from St. John Lutheran Church, Mrs. Sue Martinson, and Mrs. Dennis Schmitz, and two guests, and Mrs. Alfred Duls and Mrs. Oscar Moehle, delegates, with nine guests from Hope Lutheran, represented local Lutheran Churches of the Missouri Synod at Zion Lutheran Church at the 11th Biennial Convention in Bethalto Wednesday.

The meeting was attended by approximately 800 delegates and guests. Rev. Duane A. Burnette, the host pastor, opened the meeting with an address pointing out the theme of the convention "Love, Worship, Magnify the Lord."

Officers were elected and Mrs. Justus Kretzmann, wife of a former missionary to Nigeria and now pastor of the Lutheran Church at Florissant, Mo., addressed the group on "The Challenge of Changing Nigeria," pointing out the recent advances in education and government which make this African country different from the land which first greeted Lutheran missionaries 27 years ago.

St. Paul's Lutheran Church in Hardin, the newest mission of the Southern Illinois District, Missouri Synod, was granted a gift of \$15,000 to provide a church-owned home for the pastor. The sum will be raised through mite box contributions of members of the Southern Illinois District Lutheran Women's Missionary League. The Hardin Mission is the 12th church in Southern Illinois to be helped by the 20-year old Mission League.

Joyride Proves Costly To Parents Of 2 Girls

A young Granite City girl involved in an accident was assessed fines and costs totaling \$47 in Edwardsville.

Patricia Mathenia, 14, of 2114 Lee avenue, appeared last night before Police Magistrate William Traband of Edwardsville on charges of having no driver's license, reckless driving and leaving the scene of an accident. The charges were filed on a warrant signed by Beattie F. Patterson of Edwardsville. The woman's auto was one of two allegedly struck by an auto driven by the girl.

Police said the girl and Catherine Troha, 14, of 1423 Washington avenue, were at a roller-skating picnic Sunday at American Legion picnic park. The girls left the picnic in the Troha auto with Patricia driving. They took two parked autos and ran over a lawn, cutting deep marks in the grass. The second auto was owned by Donald Kriege of Edwardsville.

They drove to Granite City but were advised to turn themselves in. They returned to Edwardsville. The driver was charged and released on \$1000 bail.

Mrs. Mona Mathenia appeared in court with her daughter. In granting leniency to the girls the magistrate said he took into account the fact that the girls turned themselves in and that Troha had made arrangements with the owners of the damaged autos to pay for repairs.

Niedringhaus PTA Hears Talk On Drainage

An outline of the \$10,000,000 drainage - pollution abatement program to be submitted to Granite City voters next Tuesday, was explained Tuesday night to more than 200 members of the Niedringhaus grade school PTA.

The speaker was G. H. Sternberg of the Citizens' Committee speakers' bureau. He explained the scope of the program and provided adequate drainage for the city as well as sewage treatment facilities, and gave details on the cost of the project. He was assisted in the presentation by Edw. Jurena, engineer. Questions from the audience concerned the \$3.25 minimum monthly charge, and the need for additional sewer lines.

The speaker limited the questions to members of the PTA. Bypassed was a group of individuals that has been visiting PTA sessions to disrupt the drainage - pollution abatement discussions.

Mayors Hear Pros, Cons On Judicial Amendment

Pros and cons of the forthcoming judicial amendment were heard last night by members of the Southwestern Council of Mayors, during a dinner meeting at the Lewis & Clark restaurant, East Alton.

The mayors, who took no action on the proposal, heard objections by Granite City Atty. George J. Moran, Springfield, and Joseph H. Goldenhersh, an East St. Louis attorney.

Also present as a guest was Harlan Dobry, executive secretary of the Tri-Cities Chamber of Commerce, who will aid the mayors in the preparation of a two-county industrial development bureau.

A representative of the East St. Louis C. of C. had met with the mayors on the same topic last June, when the mayors adjourned their sessions for the season.

Two GC Boys Treated For Wrist Fractures

Two boys were treated at St. Elizabeth Hospital yesterday for fractured wrists, one suffered in a fall at school and the other in a cycling accident.

Richard Mineheart, nine, of 2617 Missouri avenue, received a fractured left wrist yesterday morning when he fell from a "monkey bar" at school. He was admitted to the hospital, but was released this morning.

Edwin Tapp Jr., eight, of 3147 Dodge avenue, was treated yesterday afternoon after his left wrist was injured when he fell from a bicycle. He was released after application of a cast.

Debbie Canter, eight, of 1317 Robin street, Venice, was treated at the hospital Tuesday night after she had fallen 20 feet from a tree. She had a rib belt applied and was released.

Ditch Plan Works Best, Costs Least, PTA Told

Practicality of the ditch plan included in the Citizens' drainage-pollution program was cited by George Mauze and Mrs. Gabrielle Bedard, in addressing the Prather Junior high school PTA Tuesday night.

Due to flatness of local land, substituting a covered pipe for a paved, fenced, odorless ditch would cost millions of dollars, including lift stations to speed the flow, the PTA was told. And the end result would not get rid of storm water drainage nearly as well, since the ditch design utilizes self-cleaning velocity and offers much greater capacity, the speakers pointed out.

Madison Rotary Host To District Governor

Rotary service within a club's home community and throughout the world was stressed by Earl E. Jules of Collinsville, district Rotary governor, in an address at yesterday's meeting of the Madison Rotary club.

The appearance marked his official 1962-63 visit to the club. He conferred with the officers on Madison Rotarians' plans for the year, and was introduced at the luncheon by President Alex Schenck.

Earl Puhse Dies At 47; Former Granite Cityan

Earl T. Puhse, 47, a former Granite City resident died at 9 p.m. yesterday at the Cochrane Veterans Hospital, St. Louis, after a four-year illness.

Mr. Puhse was born in Granite City and made his home here until moving to Sullivan, Mo., seven years ago.

He was a member of the Episcopal church, and belonged to Masonic Lodge and the Royal Arch Masons here and the American Legion at St. Clair, Mo.

Mr. Puhse is survived by his wife, Florence, and two children, Patricia and Kenneth, of Sullivan, Mo.

Funeral arrangements are given in the obituary column.

Repeats As Mining Scholarship Winner

Gary Elva Boyer, son of Mrs. Violet Boyer, 409 Kirkpatrick Homes, has again been named recipient of the Illinois Mining Institute Scholarship for this academic year at Missouri School of Mines and Metallurgy.

One scholarship is made available each year to a student who is studying mining-geology or mining engineering. The Illinois Mining Institute is located at Urbana, and the student receiving the scholarship must be from Illinois.

Boyer is a member of the Spunkers, Frodores and the VTB and is active in the ROTC band.

Vandals Damage Home

Vandals overturned a trash can on the rear porch of the home of Robert Jones, 2328 Highland avenue last night. Eggs were smashed on the side of the building. No one was home at the time.

NEIGHBORHOOD LEADERS HOLD PLANNING SESSION

Girl Scout leaders in Neighborhood Five held a monthly meeting Tuesday night at the Nameoki Presbyterian Church, Pontoon road. Mrs. Helen Miller, president, called the meeting to order and asked for reports from Mrs. Velma Farrance. She also awarded letters of appreciation to two new leaders, Mrs. Mabel Gertsch and Mrs. Ann McDonald.

Mrs. Miller named Mrs. Lila Sanders and Mrs. Carol Davis as a committee to work on plans for the Festival of Giving. They will meet on Oct. 18 to complete their plans.

A workshop on "Program Change in Scouting" is to be held Oct. 15, a second-class badge workshop to be held at St. John United Church of Christ on Nameoki road; Oct. 19, neighborhood service team meeting at the home of Mrs. Helen Miller; Oct. 30, regional dinner for leaders at the American Legion home in Venice at 6:30 p.m.; and Nov. 13, arts and crafts class to be held at St. John United Church from 9:30 a.m. to 2:30 p.m.

Guests at this meeting were two Senior Girl Scouts, Mary Jane Zimmer and Margaret Juhasz, who gave a short talk on their trip to the national round-up held in Button Bay, Wis., this summer. They also taught the leaders new songs that they will be able to use at their scout meetings.

The girls announced that they will be available to any civic group, PTA or church group that would be interested in a report on the roundup.

Refreshments were served following the meeting by the leaders of Nameoki school. The next meeting will be held at the church on Oct. 26 and the Maryville school leaders will be the hostesses for the meeting.

BETHANY CLASS ELECTS NEW OFFICERS

Mrs. Harriet Brown was hostess to the Bethany class of Emmanuel Baptist Church Tuesday evening in her home, 1828 Siding avenue.

New officers elected for the coming year are: president, Mrs. Roselle Traub; vice-president, Mrs. Virginia Bridges; secretary, Mrs. Helen Moore; treasurer, Mrs. Ellen Badgett; group captains, Mesdames Evelyn Sadler, Eva Godwin, Mollie Price and Lena Kraft; and social committee, Mesdames Harriet Brown, Peggy Smith and Ellen Badgett.

The class presented Mrs. Mary Godwin with a farewell gift. She is leaving soon to join her husband, who is stationed in France. Refreshments were served to the class by Mrs. Louise Choch and Mrs. Lucille Crews, hostesses for the evening.

The next meeting will be held in the home of Mrs. Elizabeth Phillips, 1828 Siding avenue, on Oct. 23, at which time the class will have a Halloween party.

CRADLE SHOWER FOR MRS. MURPHY

Mrs. Evelyn Arbeiter was hostess for a cradle shower in her home, 2216 Woodlawn avenue, Tuesday night, honoring her niece, Mrs. Jan Murphy.

Games were played, after which the honored guest opened gifts presented to her by friends and relatives.

Mrs. Arbeiter served refreshments to Mesdames Edith Ryan, Everett Bull, Harry Dotch, Lloyd Eaton, Floyd Eaton, George Hicks, U. Clonts, Harrison Mullens, Wheeler King, George Dorough, and Mr. Edwards, Frank Murphy and Martin Arbeiter.

Mrs. Murphy's husband, Captain William Murphy, is presently stationed with the U. S. Air Force in Shreveport, La.

Mrs. Juanita Rosenberg entertained her card club in her home, 2264 Cleveland blvd., Tuesday night.

Pinchle was played, and holding the highest score was Mrs. Harriet Hoff. Second place went to Mrs. Irene Willis, while third was won by Mrs. Edith Ryan.

The hostess served a buffet luncheon after the game to the prize winners and Mesdames Catherine Hommer, Lois Cruise, and Mary Lou Clausen and two guests, Mrs. Bertha Witter and Mrs. Eva Sheppard. Mrs. Ryan invited the club to meet in her home, 1508 Garfield avenue, on Oct. 30.

Parent-Child Relations Class Offered By SIU

Registration for Southern Illinois University's fall course in parent-child relations, to be offered once a week for 10 weeks at East St. Louis, will be Saturday, Sept. 29, at 10 a.m. Classes will meet from 10:30 to noon each Saturday until Dec. 8 in Room 103 at SIU-East St. Louis center, Ninth and Ohio streets. No credit is offered for the course. A supervised playroom for children will be in the next room.

The class is designed to allow parents to observe and participate in group parent-counseling sessions and, if desirable, to receive counseling in parent-child relationships. Inquiries as to fees and class material should be directed to the university's office of technical and adult education at Edwardsville.

Circuit Court Actions On Quad-Cities Cases

Guilty pleas were accepted Monday in Madison county circuit court and probation hearings were set for William D. Cawley, 35, of 696 Bardley Mitchell, armed robbery; and Frank G. Markovich, 20, of 1838

Third street, Madison, burglary. Cases continued to the November term were: Fred Madison, 31, of 2121 Willow avenue, indecent liberties with a child and contributing to the sexual delinquency of a child; and Julius Johnson, 30, of Madison, aggravated incest and indecent liberties with a child.

Cases continued indefinitely were Hyman N. Gary, 38, of 1324 Carr street, burglary; Ronald Allen Brown, 20, of Granite City Army Depot, and Predester Aaron, 19, of Venice, armed robbery; Paul Jackson, 34, of 10108 Douglas street, Venice, pleaded not guilty to burglary and theft on arraignment.

Thomas Carlton, 45, of Granite City, was sentenced to one year in Vandalla for contributing to the sexual delinquency of a child. A mistrial was declared on the charge of aggravated incest. The state's attorney filed an information against him on the contributing charge and Carlton waived indictment and pleaded guilty.

Clemency Hearing For Hodge Set For Oct. 9

A hearing is set for Oct. 9 on the application of former state Auditor Orville E. Hodge for executive clemency. He is serving a sentence of 12-15 years at Menard state prison for forgery.

confidence game and embezzlement in the looting of the state treasury of \$1,500,000.

The Illinois Parole and Pardon Board will meet in Springfield.

Hodge went to prison in 1956. Petitions are being circulated here urging Governor Kerner to grant executive clemency.

Granite City PRESS-RECORD Thurs., Sept. 27, 1962 Page 17

Without clemency, Hodge will not be eligible for parole until November 1963. Hodge has been supported in his bid for clemency by prominent Granite Cityans in the past.

Junior Maecenas Hostess To District Jr. Women Clubs

Approximately 65 women gathered here for a pot luck dinner and meeting of the Twenty-second District Junior Women's Club at the YMCA last night with the Junior Maecenas Society as hostess group.

Mrs. Donald Brumleve, Junior Maecenas president, gave the welcome address and Mrs. Betty Terrell, president of the Junior Minerva Club, the invitational. The theme of the meeting was "Take Time For Others."

The speaker of the evening was Miss Ann Carey, a public school speech correctionist at the local groups who gave reports.

The O'Fallon club, one of the new clubs, was organized last July.

Reports of the Southern Region Director, and the district secretary and treasurer were given also.

The Junior District project for the coming year was voted on and accepted. It includes the Children's Camp at Little Grassy at St. Louis. Mrs. James Koening was named safety chairman and announcement was made of the spring pot luck to be given March 14 by the East St. Louis Junior Women's Club.

Autumn flowers and foliage decorated the tables and room for the meeting. Serving on the arrangements and program committees were Mesdames Shirley Thomas, Dale Brackett, Betty Glechhaus, Dolores Yates and Cy Corbin. The guests were greeted by Mrs. Doris Karik and Mrs. D. Brewer.

MISS KATHIE SUE REDMAN, a bride-to-be. Her engagement to Emmett Joseph Williams, son of Mr. and Mrs. John Williams, 2911 Myrtle avenue, is announced by her parents, Mr. and Mrs. Gilbert Redman, 2108 Illinois avenue. Plans are being made for a mid-summer wedding.

The next meeting will be with Mrs. Hornberger, 1632 East 23rd street, Oct. 23.

Meeting Topic Is 'Gems Of Speech'

Theta Iota chapter of Beta Sigma Phi met last night in the home of Mrs. Lora Mae Lombardi, the members responding to roll call with "gems of speech."

Mrs. Delores Dortch, president, was in charge and announcement was made of the Area convention to be held Oct. 7 in Alton. Mrs. Betty Ebling was named extension officer and reports were given by the social, publicity and ways and means committees.

The program on "Speech" was presented by Mrs. Dortch with all members taking part.

The "traveling basket" was auctioned with Mrs. Ebling the winner. Other awards went to Mrs. Evelyn Tolliver and Mrs. Norma Rains.

A dessert was served by the hostess and plans were made to meet again Oct. 10 in the home of Miss Ruth Stoyanoff. The Oct. 29 social will consist of a box supper at the home of Mrs. Ebling.

Sorority Plans Rummage Sale

A meeting of Phi Beta Tau Chapter of Sigma Phi took place last night in the home of Mary Ann Harris.

Plans were made for a rummage sale in October, and refreshments were served to Janet Bosolan, president; Diane Sellers, Mary Robinson, Gloria Mundy, Mary Alice Christian, Sue Cook, Barbara Fronabarger, Ruth Justice, Carol Kottorf, Ann McMurray, Judy Muehlenbeck, Diane Nemeth, Linda Todd, Ellen Winters and Marilyn Wonda.

The next meeting will take place Oct. 10 in the home of Diane Sellers.

Birthday Luncheon 'In Absentee'

Mrs. E. J. Wade, 2519 Madison avenue, entertained guests at a birthday luncheon "in absentee" Monday honoring her daughter-in-law, Mrs. James Wade, who with her husband is residing for the present in Seoul, Korea.

Those present, members of the family, were Mr. and Mrs. H. W. Dependahl of Kirkwood, Mo.; Mrs. Russell Woertner, Manchester, Mo.; Mrs. Lillian Grimes of Baldwin, Mo.; Mrs. Kenneth Aston and children, Kenneth and Renee of St. Louis, and Mrs. J. A. Tatum of this city.

Church Women View Slides

Peace Lutheran Women of the Peace Evangelical Lutheran Church met last night at the church chapel, 3201 Erin drive.

Mrs. Rose Mehlting conducted the devotional service and a song and prayer followed.

Mrs. Barbara Froehling, president, was in charge during the business discussion and the program included slides of the meeting of the Assembly of the World Council of Churches held in Evanston, Ill., with a commentary by Mrs. Mehlting.

Refreshments were served by Mrs. Mehlting after the meeting to nine members. Hostesses at the October meeting will be Mrs. Elizabeth Messerschmitt and Mrs. Norma Lawler.

LIVE WIRES MAKING PLANS FOR STYLE SHOW

A special meeting of the Live Wires PEX club was held Tuesday evening in the home of Mrs. Gwen Coss, 2288 Gary avenue, for the purpose of planning a party and style show to be held at the YMCA Nov. 18 from two until four o'clock in the afternoon.

Mrs. Darlene Garcia, president, was in charge and Mrs. Ruby Rhine and Mrs. Gwen Coss were appointed co-chairmen of the show.

Others present were Mrs. Lucy Reader, a past president, and Mrs. Fern McMonagle.

FRESHMAN AT ILLINOIS COLLEGE

Ensley Moore, a son of Mr. and Mrs. John Moore, 3420 Edison avenue, is beginning his college career at Illinois College in Jacksonville. All freshmen and transfer students at the liberal arts institution have been attending orientation sessions and activities for several days.

RETURNS FROM EUROPE
Mrs. Abbie Fox had as guests in her home a sister, Mrs. D. H. Hutchinson, who had returned from a three-year stay in Europe. A nephew and niece, General and Mrs. Archie Lyons, left here Monday and a son-in-law and daughter, Mr. and Mrs. Edward Henke and daughters, Malissa and Jennie Lee, of St. Louis also visited Mrs. Fox. Henke is a Cardinal football player.

Dr. Kathleen Jones Primary Sunbeams of Second Baptist Church met Tuesday afternoon to complete a unit study of "God, the Bible and Prayer." Mrs. Betty Lewis, leader, was in charge, assisted by Bob Lewis. Mrs. Lewis told the story of an imaginary journey and led the group in Bible verses and quotations.

The children sang and were told the story of a missionary family. They made pictures out of construction paper and served refreshments. Vickie Welty offered prayer.

Nursery children being promoted to the Junior Girls Auxiliary and the Junior Crusader R.A.S. Recognition also was made of those who will be come "World Friends" beginning next Tuesday. All made posters.

Dated this 13th day of September, 1962.

Young Demos Regroup

On Township Lines

Reorganization of the Madison County Young Democrats along township lines patterned after the Chicago system was announced yesterday at a meeting in Edwardsville.

The executive board met in session with members from all sections of the county, and announcement of the decision was made by Dan Alexander, chairman.

"Because of the growing interest in Madison County Young Democrats on the part of young elements of the party," Alexander said, "it was decided to reorganize the group on township lines."

"This reorganization, which is patterned after the Chicago system, is designed to accommodate the many young people interested in Democratic Party activities."

"At present, organizations have been established in the following townships: Granite City, Edwardsville, Collinsville, Alton, Wood River, and the East End District."

Alexander said the Granite City chairman is Harry Chism, 2337 Madison avenue, Democratic committeeman for the 15th Precinct. His title is chairman, Granite City Township Young Democrats.

Hear Drainage Talk

Fifth Ward Group To

Members of the Fifth Ward Bi-Partisan Voters Club are to meet at 7:30 this evening at the Church of Christ, Nevada avenue and Chicago street, to hear a talk by Fourth Ward Alderman Donald Partney.

Partney will discuss next week's special vote on a \$10,000,000 drainage-pollution abatement program.

Mike Mejaski, chairman, said the club also has received a reply from State Atty. Dick H. Mudge jr. on its request for further information on underage voting in the last school board election.

Mudge advised the group the matter will be submitted to the October term of the circuit court grand jury.

Taking part, left to right—Andrew Purdes, Peter Trojan, Michael Dutko sr., members of the church board; Father Theodosius, pastor; Alex Rochitz of the church board; Father John Terechki, dean of St. Louis; Archbishop John of Chicago, Russian Orthodox Church; Father Paul Pynch of Royalton, Ill.; Father Kiril Antonoff, pastor of the Bulgarian Orthodox Church here, and George Butchko, president of the church board. Construction of the building is to start next month.

2 Suits Pending Against City For Sidewalk Mishaps

A summons in a \$20,000 suit against the city and a notice of intent to file a claim against the city, both resulting from sidewalk mishaps, were presented to the Granite City council Monday night. They were referred to City Atty. John Gitchoff.

The damage suit was filed in the city court of behalf of Zelma Sumner, 2901 Myrtle avenue, who said she was injured in a fall on a sidewalk along the north side of Wilton avenue last Nov. 28. She stated in the suit that she tripped over a raised sidewalk slab. A trial by jury was requested.

In the notice of intent to file claim, Marjorie Miranda, 615 Salveter street, Venice, said she suffered personal injuries on July 31 while walking in the 1100 block of 18th street near Benton street.

Cpl. Harry D. Wright At California Base

Marine Cpl. Harry D. Wright, son of Mr. and Mrs. Waldo L. Wright of 2801 Benton street, is serving with the Third Marine Air Wing at the El Toro Marine Corps Air Station, Santa Ana, Calif.

The wing provides helicopter, transport and jet aircraft support for the First Marine Division's Infantrymen at Camp Pendleton, Calif.

Two Fire Hydrants

Installation of two fire hydrants in the Briarcliff subdivision was approved in a resolution adopted Monday night by Granite City council members. The locations at Lot 77 along Ponton road and Lot 206 along Briarcliff were submitted by Fire Chief Elijah King and instructions are to be sent to East St. Louis & Interurban Water Co. to place the hydrants.

30-Minute Parking Limit At City Hall Approved

Approval of a 30-minute parking limit at the city hall building was given Monday night by Granite City council members who also set up a no-parking zone on Faith avenue.

The change to the 30-minute restriction along Niedringhaus and Edison avenues adjacent to the city hall will be made as soon as new face plates are received for the meters and the meter clocks can be adjusted.

The meters to be changed extend along the north side of Niedringhaus avenue from the alley at the city hall west to Edison avenue, and along the east side of Edison avenue from Niedringhaus avenue to the alley at the rear of the city hall building.

The amendment to the parking meter control ordinance was approved unanimously. City Atty. John Gitchoff suggested the city consider a tow law ordinance for the meter zone. He pointed out the ordinance specifies a 30-minute parking limit and that a vehicle must be moved when the time expires.

The no-parking zone along Faith avenue between Nameok road and Marshall avenue is required by the state highway department before it will authorize motor fuel tax funds for a proposed improvement. The ban will be on the north side of Faith avenue, with violators to be fined \$1 to \$25. This ordinance also was adopted unanimously.

Assigned To Texas AFB

Airman basic Robert H. Gwin, son of Mr. and Mrs. Robert Gwin, 2833 Adams street, has been reassigned for technical training to Amarillo AFB, Tex., for technical training as a USAF supply specialist. He completed the first phase of his military training at Lackland AFB, San Antonio, Tex., and was selected for the specialized course on the basis of his interests and aptitudes. Gwin is a 1962 graduate of Granite City high school.

Draft Boards Study Re-Classification

Local selective service boards are reviewing qualifications of those men formerly classified as 4-F for possible re-classifications, according to the selective service office at Edwardsville.

The action is a result of a new classification, 1-Y, which is for men who are not accepted for military service now but who could serve in time of war or national emergency.

The classification was established by executive order of President Kennedy on Jan. 2.

A selective service office spokesman said the 4-F classification will be retained for those men who are not acceptable for military service at any time.

"A man reclassified into 1-Y is no more liable for service at the present time than when he was in 4-F," the spokesman said. "He will continue in a deferred category except in the event of war or national emergency."

LATIN AMERICAN ENSEMBLE recordings are presented by members of the group to some of those who helped make their August trip to Mexico possible. Left to right are Susan Strauser, Stanley Schermer, vice-president of the Associated Retailers; Kenneth Willtrout, Linda Froemling,

Former Granite Cityan Cited By President

William F. Smith, formerly of Granite City and now of Rural Route Four, Edwardsville, has been awarded a service pin and a certificate of appreciation signed by President Kennedy; Gov. Kerner; Gen. Lewis B. Hershey, national director of Selective Service; and John H. Hammack, Illinois director of the system.

Smith has served continuously on the draft board for more than 20 years and presently is chairman of Local Board 167 of Granite City. Hammack pointed out that over a long period of time such unpaid officials as Smith give the equivalent of months of labor, saving the government millions of dollars and contributing to national defense and security. Smith became a member of the draft board in June 1942.

Robert Spengler, board of education president; C. E. Townsend, Press-Record editor; R. D. Todoroff, ensemble director; Paul Lichtenberger, Tri-Cities Chamber of Commerce president; Dr. Harold Kaiser, superintendent of schools; and Bill Winter.

Latin American Ensemble Recording Goes On Sale

"Musical Memories of Mexico," a souvenir record album by the Coolidge junior high school Latin-American ensemble, is now available to the public.

Recorded shortly after the group returned from Mexico in August, the album is expected to reach all parts of the U. S. and a number of foreign countries, according to R. D. Todoroff, ensemble director. "It was recorded while our impressions and influences through exposure to the Latin people were most vivid," he said. The album was recorded in St. Louis. It may be purchased from members of the ensemble as well as a number of local retail outlets through the cooperation of the Associated Retailers and Civic Association. The price is \$3.50.

One Man For Induction From Quad-City Area

Charges Placed Against 2 After Tavern Brawl

Police Magistrate Gasparovic set a \$500 property bond Monday afternoon for Tom Rosser McGee, 34, of 2801 Washington avenue, and \$1000 property bond for Hollis Donaldson, 31, of 1607 Maple street. They were involved in a tavern brawl in the 2000 block of Washington avenue Sunday night in which Franklin Smoot, 56, of South Roxana, was injured. Smoot was hospitalized.

McGee pleaded guilty to

fighting and creating a disturbance and was fined \$10 and costs on each charge. He pleaded not guilty to a charge of aggravated assault. A hearing is set for Oct. 10. Donaldson pleaded not guilty to charges of fighting, creating a disturbance, unlawful use of a deadly weapon and aggravated assault. Police said they found a blackjack in his possession. His hearing also is set for Oct. 10.

Court Of Honor For Boy Scout Troop 18

Boy Scout Troop 18 of Sacred Heart church held a Court of Honor Monday evening. Approximately 100 persons were present.

Terry Kelahan, Richard Loyet and Craig Wiehardt presented their mothers with their Tenderfoot pins and then received Tenderfoot badges from Scoutmaster Henry Hellrich.

Second class badges were awarded to Billy Pisel, Walter Puryear and Walter Schmidt. Assistant Scoutmaster Louis Vrenick presented Camp Sunners patches to the 23 Scouts and five adult leaders who attended the summer camp.

Twelve scouts earned the BSA Mile Swim Award at Camp Sunners. They were Paul Blason, Louis Hellrich, Jeffrey Hoelter, Ronald Jansen, Ervin Konkel, Ricky Nolan, Terry Pierce, Walter Puryear, Michael Richardson, David Sallich, Daniel Stack and Eugene Vrenick.

First Class badges were presented to Michael Richardson, David Sallich and Linus Hellrich, and Richardson also received merit badges for swimming, hiking, coin collecting, citizenship in the home, public health and hiking.

Receiving Star Scout awards were Ricky Nolan and Ervin Konkel. The former also received merit badges for swimming, first aid and firemanship, and Konkel was given merit badges for swimming, canoeing, first aid and firemanship.

Ronald Jansen was awarded the Life Badge and also merit badges for swimming, canoeing, dog care, firemanship and citizenship in the community.

The coveted BSA Scout Life Guard award for exceptional waterfront abilities was presented to Eugene Vrenick, Paul Hellrich and Mark Hellrich. Each Scout in addition received a rowing merit badge for citizenship in the home, public health, firemanship and citizenship in the community.

Additional merit badges earned were as follows: Paul Blason and Jeffrey Hoelter, swimming; Ricky Nolan, rowing; Terry Pierce, swimming; Daniel Stack, swimming and canoeing; Frank Vivod, life saving and pet care; John Voyles, firemanship; and Vincent Wiehardt, swimming.

Assistant Scoutmasters Richardson and Nolan, Louis Vrenick and Paul Blason were thanked for devoting a week of their vacations to assisting the Scouts of Troop 18 in summer camps.

The Court of Honor was presided by a pot luck supper arranged by the Scout Mothers Auxiliary.

Vesci And McBride Address Coolidge PTA On Bond Issue

The Coolidge Junior high school PTA took action on the proposed \$100,000 bond issue for drainage and pollution abatement Monday night after a hearing. Arguments for and against the proposal.

Approximately 65 persons attended including 18 new teachers. Eighth Ward Alderman Frank Vesci spoke first on why he will vote against the proposal. He reviewed the activities of Citizens' Committee since its inception and lauded its report as a very good one.

"But they never went far enough with it," he said.

Pollution Abatement A Must "I am not against it, I realize we are under orders to stop pollution," he continued. "Pollution abatement is a must. We need a better sewer system. But I had hoped all areas would be included in the plans."

"There is nothing in laterals or catch basins for Namooki to transport water from Namooki area streets to the ditch," he went on.

He challenged the claim that most people will pay the minimum sewer charge rate.

"How many of you are paying the minimum rate now?" he asked. "Just go home and look at your water bills."

He cautioned those present to weigh the issues carefully before casting their votes Tuesday.

"I am not opposed to the bond issue. Granite City needs it but to do Namooki, I want Namooki to get benefits, too."

John McBride, vice-president of Union Star and Refining Co. and a member of the Citizens' Committee speakers' bureau, spoke in favor of the proposal.

Benefits To Namooki Area The Citizens' Committee is stressing the widening, paving and fencing of the Namooki storm water drainage channel to not only increase its capacity but to speed the runoff of surface water and to provide safety measures at the new unprotected ditch.

The \$325 minimum monthly sewer charge is to be based on winter quarter billing by the water company and not on current bills for summer quarters which include lawn watering and car washing. The winter quarter is selected because it reflects minimum water consumption. A survey by the engineering firm which designed the drainage-pollution abatement program shows 80 to 85% of Granite City families will be paying the minimum charge.

The sewage treatment plant designed for the city project would cost \$1,225,000 to build. Its annual operating cost would be \$70,000 less than required to operate the \$2,037,000 treatment plant which the East Side Levee and Sanitary District wants to build to serve Granite City.

The difference results from the levee district proposal to treat storm water as well as raw sanitary sewage. The Citizens' proposal calls for new drainage lines and channels, diverting storm water away from the treatment plant since it would not require the expense of going through the pollution abatement process.

Treatment of sewage has been ordered by the state Sanitary Water Board which in July 1961 issued an order to ban extensions to the sanitary sewer system in Granite City.

Urges City-Wide Views McBride criticized city aldermen for thinking only of their own wards.

"It becomes tiresome," he said. "It's about time aldermen started thinking of Granite City as a city instead of eight wards."

"We can't build more houses. We can't make any more sewer extensions. It's up to the people

District Moose Lodges Enroll 141 Members

A meeting of governors, secretaries and activities chairmen of District 10, Moose Lodges of Southern Illinois was held in Mascoutah Monday evening. Attending from this area were Milton Worthen, governor of the Granite City Lodge; Fred Frame, secretary; Henry Oberlin, membership chairman of Southern Illinois; and Wesley Dudley, publicity chairman for the district.

The meeting was called to order by Frank Mabry, president of St. Louis, district vice-president.

Pilgrim Harry Oberlin announced 141 new members enrolled in the last 30 days and there was an announcement by Pilgrim Oliver Baker, also of St. Louis, of contributions of \$126,427 made by Illinois lodges for the new field house at Moseheart at the present time. The building will be dedicated next year on Illinois Day.

Thirty officers attended the meeting which was followed by a buffet supper. The next district meeting will be held in Granite City Oct. 8.

The Granite City Lodge has announced a fish fry and dinner for Sept. 29, and an enrollment of new members Oct. 13.

Tucker Renamed Head Of Toastmaster Club

Earl Tucker was re-elected president of the Toastmasters Club at Monday night's meeting at the Grand Cafe. Other officers named were Herman Mueller, executive vice-president; Ed. Withers, executive vice-president; Harry Fichte, secretary; and Dr. Leo Coleman, sergeant-at-arms.

Marvin Dean served as toastmaster, while Herman Fichte was general evaluator. Withers and Dr. Claude Hiles were critics. Hiles also served as dinner.

Speakers were Fichte, "A Vacation Trip," and Charles Young, "What's Wrong with the United States?" Fichte was named speaker of the week.

The club's next meeting will be at 6:30 p.m. Wednesday at the Smorgasbord.

Driver Issued Ticket

Robert D. Rutledge, 19, of 3508 Benton street, was issued an arrest ticket at 8:10 p.m. Monday.

Monday for failure to yield right-of-way after he was involved in an accident in the 2600 block of Madison avenue. Police said he was southbound and made a left turn. His auto was involved in a collision with a car driven by Norville E. Baker, 30, of 3805 Fair Oaks drive, that was northbound on Madison.

System to take Namooki sewage to the river.

The chief objection in Namooki is that a large portion of the bond money would be spent downtown. This is necessary largely to take water that comes from Namooki, however, she said. When the present downtown storm sewers are full, storm water mixed with sewage backflows onto Namooki area streets to a storm sewer catch basin and then to the ditch. The proposed improvements will assure an end to basement flooding.

Voter Registration Set At Three Area Locations

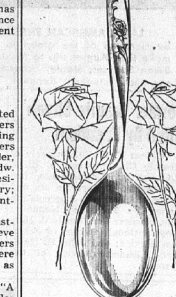

Persons wishing to register for the Nov. 6 general election may do so from 1-8 p.m. Friday at the Namooki road fire station, 3902 Namooki road in Granite City; or at the Venice city hall from 7-9 p.m. Friday or from noon to 8 p.m. at Lee Wright Homes in Venice.

Special deputy registrars will be on duty at those locations. The deadline for registering is Oct. 9 and for making changes of name or address Oct. 8.

New Episcopal Bishop Consecration Plans Set

Plans for the Oct. 1 consecration of The Rev. Albert A. Chambers, Bishop of Springfield. Attending the consecration will be a large group of Episcopal clergymen and laymen, clergy of other churches and others. Rev. Nyberg said. All the clergy and about 4% of the lay people of Springfield diocese are expected to attend.

The consecration service will begin with a Mass. Then, immediately following the sermon, the consecration proper takes place. Following the consecration, the Bishop is anointed and crowned to its end. The mitre and crozier are given to the newly consecrated bishop, who then proceeds outside to the steps of the cathedral to give his first blessing to the city and the world.

The Rev. Chambers is former rector of the Church of the Resurrection, New York City. After the consecration his title will be

3 At GCHS Named Merit Scholar Semifinalists

Principal Lawrence C. McCauley of Granite City high school announced today that three of the school's students have been named semifinalists in 1962-63 Merit Scholarship competition.

He said they became semifinalists through their outstanding performance on the National Merit Scholarship Qualifying Test, first step in the eighth annual Merit Program.

The students cited for the achievement are Robert O. Butler, son of Mr. and Mrs. Robert Butler, 3164 Aubrey avenue; John L. Spadich, son of Mr. and Mrs. Anthony Spadich, 3133 Jill avenue; and David N. Toth, son of Mr. and Mrs. Frank Toth, 2616 East 28th street.

They are among approximately 11,000 seniors throughout the country who attained semifinalist status. Each now moves step closer to winning a four-year Merit Scholarship to the college of his choice.

The qualifying examination, a test of educational development, was given in more than 16,000 high schools last March. The semifinalist group is composed of the highest scoring students in each state and in U. S. territories. The group represents a constant percentage of each year's high school graduating class nationally.

Importance Of Achievement

John M. Stalnaker, president of the nonprofit National Merit Scholarship Corp., described the semifinalists as "representative of the best of a new generation of young people who are increasingly conscious of the importance of intellectual achievement."

"The qualities and aspirations of the semifinalists typify the abilities and goals of the country's most able youth. Although we must be concerned about juvenile delinquents, we should focus our attention too on youngsters such as these students. They are ambitious, level-headed, hard-working and very able."

"We should recognize also that, by encouraging these characteristics, the parents and teachers have played a big part in their success. Similarly, the development of the intellectually-talented depends as well on the level of support a community gives to schools and the extent to which adults in general respect intellectual attainment."

To increase their opportunities to obtain financial assistance if they need it, the Merit Corp. sends the names of semifinalists to all accredited colleges and to other scholarship-granting agencies and financial aid sources. Studies show that about 50% of the semifinalists obtain financial aid from sources other than the Merit Program.

Next Test Dec. 1

They will take another examination, the three-hour Scholastic Aptitude Test of the College Entrance Examination Board, to be given in testing centers throughout the country Dec. 1.

Students whose scores on the second test substantiate their performance on the qualifying test, and who are endorsed by their high schools, will become finalists. In past years, about 97% of the semifinalists have become finalists. All finalists receive a Certificate of Merit in recognition of their outstanding performance in the program.

As finalists, the students will be eligible for scholarship awards sponsored by NMSC and about 150 business corporations, foundations, union, professional associations, and individuals.

In the final phase of the competition, high school grades, creative accomplishments, leadership qualities, extracurricular activities and school citizenship of the students will be evaluated along with their scores on the tests.

April Announcement

About April 24, 1963, Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the Merit Program. In 1962, NMSC and sponsors together awarded 1050 Merit Scholarships. Each is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

For Merit Scholars who require financial assistance, awards may reach a maximum of \$6000 for the four years of college. For students who al-

ready possess financial resources which will enable them to attend the colleges of their choice, the awards are \$400 for the four years. Stipends now average about \$850 a year. The stipend will be increased at any time if there is a significant change in a family's financial situation.

Finalists designate the college they wish to attend and the course of study they plan to pursue. The colleges chosen by the Merit Scholars in most instances also receive supplementary grants.

Local Delegates Will Attend Convention

Delegates from four separate Lutheran Church bodies will mark the beginning of their newly-created church, The Lutheran Church in America, at the Constituting convention of the Illinois Synod, Oct. 1-2 at the Pick-Congress Hotel in Chicago.

The new territorial synod will coordinate the work of 344 congregations representing a confirmed membership of 149,000 persons from the Illinois and Eastern Missouri areas.

Rev. Bodo Mehlhag, pastor of Peace Evangelical United Lutheran Church, 3201 Erin drive, and C. Ray Kinder, 7 Frontenac lane, will represent Peace Lutheran Church in this city.

Convened by the Rev. Malvin H. Lundeen, secretary of the national church, the 800 delegates will act on the proposed articles of incorporation of the new synod. The major proposals for the convention will be presented as recommendations from the 80-member Illinois Joint Commission on Lutheran Unity which has worked for two years to prepare for the new synod.

Official visitors, clergy and lay delegates will represent all four of the national church groups recently consolidated: the American Evangelical Lutheran Church, American Evangelical Lutheran, Finnish Lutheran and the United Lutheran Church in America.

Rep. Harris To Be In Process For Bishop

Lloyd C. Harris, state representative for the 33rd district, will march into St. Paul's Cathedral, Springfield, during the procession for the consecration of The Rt. Rev. Albert A. Chambers as the seventh Bishop of Springfield on Oct. 1. In the procession will be other civic and government leaders and the academic community.

The Rev. David E. Nyberg, rector of St. Bartholomew's Episcopal Church here, will coordinate television, radio and newspaper coverage of the event. The Rev. Canon Edward N. West of St. John the Divine, New York, will narrate the radio and television presentations. During the ceremonies The Most Rev. Arthur Lichtenberger, presiding Bishop of the Episcopal Church,

will consecrate The Rt. Rev. Albert A. Chambers to the highest order of the Church's ministry. Also to attend the service from here will be Mrs. Lloyd Harris, Mrs. Nyberg, Mr. and Mrs. Garvin Butler sr., Mr. and Mrs. Walter Harris and Mrs. Donald Donald.

Husband Of GC Girl Accepts Supervisor Post

Jerry Lynn Downen, son of French Downen, Carmi, has accepted a position as a supervisor for Cummins Missouri Diesel Sales Corp., St. Louis, according to the Southern Illinois University Placement Service at Carbondale.

Downen, who is married to the former Mary Anne Land, Granite City, was graduated from Southern last August with a major in industrial design.

City Bill List Totals \$54,637

A \$54,637 bill list approved Monday night by Granite City council members included \$12,291 paid to United Disposal Corp. for garbage-trash collections during September, \$1522 for maintenance of sewers and \$704 for fuel and maintenance of city equipment.

Other miscellaneous bills were \$15 paid to Ben Oank for charging the battery and storage of a portable electric traffic signal at 26th street and Madison avenue, and \$477 to R. Deon Electrical Co. for maintenance and repairs to electric and portable traffic signals. Leo Kanadulski was paid \$162 for weed cutting on five days.

Expense allowances were approved for the following: Alder-

man Steve Basarich \$30, Joseph ledge \$30, Samuel Shackelford Donley \$50, Police Chief Ray-Quar, Ford Johnson \$30, Rufus \$50, Casmer Skubish \$30, Frankmond Willard \$50 and Civil LeMaster \$30, Charles Meyer Vecel \$30, Samuel Whitmer \$30, Defense Director Victor Koenig \$30, Walter Nomm \$30, Paul Rut-

GOP Candidate Seeks Foreign Policy Probe

Dr. Kurt Glaser, Republican candidate for Congress in the 24th district, said here Tuesday night if he is elected he will join with like-minded members of both parties to press for a Congressional probe of the people and policies responsible for persistent failure of U. S. foreign policy.

Glaser, addressing Grand City GOP committeemen, said such an investigation has been demanded not only by leading Republican Congressmen, but also by Democrats.

"My overseas experience with the Defense and State departments taught me that there are two kinds of foreign service personnel," Dr. Glaser said. "There are the materialist do-gooders who fight Communism by pouring taxpayers' money down neutralist ratholes. They persist stubbornly in the fantasy that Communists are slightly better liberals who will calm down if well fed."

He termed the other, much smaller group as "pro-American." Dr. Glaser said these men think and act on the merits, that the diplomat as well as the soldier is on duty to serve U. S. security.

"Unfortunately," he added, "the pro-Americans often get fired or transferred to minor posts."

City Abolishes \$25 Barber Shop License

Abolishment of the \$25 annual business license for barber shops was voted Monday night by Granite City council members.

During a debate at an earlier meeting, several council members pointed out that barbers were union men who worked with their hands and should be excluded from the business license ordinance.

Actually, the license had not been collected from barber shops. They were included in the new city code which was adopted over a year ago, and efforts were being made to collect the \$25 license for the first time this year.

There are about 40 barber shops.

government professor said if elected he will "fight vigorously for a foreign policy which works for rather than against the United States."

Hole Cut In Street To Retrieve Sewer Bucket

Granite City street workers cut a six-foot hole in 28th street between Madison avenue and Iowa street on Tuesday to retrieve a sewer cleaning bucket that was wedged in a pipe.

Three men worked a full day to do the job as there was no other way to recover the bucket that had turned sideways.

Other crews continued with sidewalk work and catch basin repairs, while others cleaned catch basins and operated the grader and highlift machines.

Rocks were hauled to spread in alleys, and there was a continuation of sign painting.

A hypocrite is a fellow who professes tolerance, and then continues to do a lot of name-calling.

Steel Institute Lists Payroll Cost Increase

The first month of operation under the 1962 collective bargaining agreements has raised payroll costs, employee benefit costs and total employment costs in the steel industry to new all-time records, the American Iron and Steel Institute announced this week.

Payroll costs per hour worked by production and maintenance (hourly) employees rose to \$3.64 per hour worked in July 1962, as compared with \$3.61 for the first six months of 1962, with an increase in vacation costs accounting for the difference.

The costs of employee benefits not included in the payroll (payroll taxes, supplemental unemployment benefits, pensions, insurance and vacation plan) rose to 66 cents per hour worked in July 1962, as compared with 51 cents during the first half of 1962. That increase resulted in part from the changes in the supplemental unemployment benefit plan and in the pension program and the new savings and vacation plan, all of which were effective July 1, 1962.

The total employment cost per hour worked by hourly employees (consisting of payroll costs and employee benefit costs) amounted to \$4.30 in July 1962, as compared with \$4.12 for the first half of 1962.

Twilight Optimists Hear United Fund Director

John Solenberg, executive director of the Tri-Cities Area United Fund, was the guest speaker Monday night at the Twilight Optimist club meeting at the Rose Bowl restaurant. He showed slides pertaining to the annual fund drive which opens next week.

Approximately 25 persons attended. There were three guests, including the Optimist Area lieutenant governor, Mike Milliken of Alton; Jack Reed who has a 17-year perfect attendance record at the Alton club; and J. F. Pittman of Granite City.

The next meeting will be held at 6:30 p.m., Oct. 8, at the Rose Bowl.

COMPLETELY RESTYLED—The Ford Galaxie 500 XL convertible will have such features in the 1963 model as bucket seats and console, a 260-cubic-inch Challenger V-8 engine, custom-designed interior, and a console-mounted transmission lever. Improved lubricants and production procedures have made elimination of the 1000-mile inspection possible on all 1963 Galaxies. B. E. Hohl, Inc., Ford agency in Granite City will have several new Ford models on display Friday.

Kiwanis To Participate In Auto Parade

The Granite City Kiwanis club will meet a half-hour earlier than usual Monday so the members can take part in the auto parade with other local organizations in support of the \$10,000, 600 drainage and pollution abatement bond proposal.

The meeting will be held at 6 p.m. instead of the usual 6:30 p.m. The club then will go to the Granite City high school parking lot assembly point and join the motorcade.

Plans were announced at the Monday meeting this week. Clifford Blankenship of the A. O. Smith Corp. presented this week's program.

He demonstrated a life-size resuscitation dummy. The dummy, a lifelike model of a 17-year-old girl, appears to respond to resuscitation as would a real person.

Sterile masks to fit over the mouth and nose, permitting the demonstrator to allow each person in the audience to try the revival technique without danger of contamination. The Kiwanians present all took part in the demonstration.

Blankenship, in stressing the importance of learning the mouth-to-mouth and mouth-to-nose resuscitation technique, said that Quad-Cities Safety Council has been conducting demonstrations, and three lives have been saved by persons who learned the method through watching the demonstrations.

The technique is used on victims of shock, drowning, smoke inhalation or other asphyxiation.

Kiwanis Lt. Gov. Al Barnard of Alton was a visitor to the club and was first to try the method on the dummy after listening to the lecture.

Local Agency Will Unveil 1963 Ford Models Friday

The 1963 Ford automobiles will go on sale Friday at three new station wagons. The B. E. Hohl, Inc. agency at 1873 Madison avenue. On display will be a selection of models ranging through Falcons, Fairlanes, Galaxies, Thunderbirds and trucks.

The 1963 Falcon emphasizes sports appeal with five new models, new styling and a host of new features. In all there will be 17 model choices in 1963 Falcons. The new Falcon models are in the sporty Futura series and include a four-door sedan and two convertibles.

There are nine models of the midlevel Ford Fairlane line.

Two thousand engineering refinements repeatedly make the new Thunderbirds the finest of all time. Power steering, power brakes, Cruise-O-Matic transmission and swing-away steering wheel all are standard equipment.

Mufflers now are made of aluminumized stainless steel for greater durability and extra insulation promises a quieter ride. "The Thunderbird is the most changed car we are offering for 1963, said president B. E. Hohl."

Witnesses identified him as the person who created a disturbance, police said. When Jones attempted to quit, he was arrested. The soldier was shot four times, allegedly by Carl W. Hoffman, 25, of 2111 Lincoln avenue.

Hoffman also is charged with aggravated assault and is free on \$5000 property bond. The soldier is recovering from his wounds in Scott AFB Hospital.

Rosh Hashana To Begin At Sundown Tomorrow

Rosh Hashana, the Jewish New Year, begins at sundown Friday. The holy day will begin the year 5723.

Jewish families of the Quad-Cities will use the new Arudas Achem temple in East St. Louis for religious services. Rabbi Frank Altman will conduct the services.

Rosh Hashana opens a 10-day period that is the most sacred in the Jewish calendar. It is a time for prayer and self-examination, climaxed on the 10th day by the observance of Yom Kippur, Day of Atonement beginning Oct. 7 at sundown.

At services, the blowing of the ancient shofar, or ram's horn, will signify the time to reflect on past deeds and contemplate a better life in the coming year. In the homes, the holy days take on a symbolic meaning for families as members dip a piece of apple or bread in honey with a prayer that the year ahead will be sweet and blessed.

State Oks \$36,846 Indiana Ave. Project

Approval of a \$36,846 contract with A. H. Seebold Co. for improvements to Indiana avenue was received Monday night by the Granite City council from the state highway department.

The approval was for use of motor fuel tax funds for Indiana avenue to be paved with asphalt and for curbs and gutters to be installed along with related drainage facilities from Benton street to St. Paul avenue.

In another letter to the council, the state highway department approved a supplemental allocation of \$30,000 MFT funds for the Indiana avenue project, increasing the total to \$66,000. It was noted in the letter that the amount was in excess of the total cost of the project and engineering fees.

Both letters were placed on file.

CLAUDE PICKS:

Only the scare which Quincy threw into Collinsville last Friday gave Claude the Computer any anxious moments in awaiting the results of his predicted victors in 12 area prep games.

As it was, Collinsville scored in the last quarter to win 6-0, and Claude scored on all 12 games, picking every weekend winner for the first time in two years.

This week may see him revert to season-opening form, however. League play opens Friday in both the Southwest and Midwest conferences, and Claude will have to go along with Collinsville over Granite City despite the Kahoks' poor showing against Quincy. He does not predict a victory for Madison, either. The Trojans run up against Cahokia in Comanche.

100-Mile Feature At Speedway Saturday

Up to 48 cars are expected to be on hand Saturday night at the Tri-City Speedway for the running of a 100-mile feature race for super modified stocks.

The relay event, to be run on the track's half-mile oval, is one of five races on a card which offers a \$3500 purse, promoter and track owner Garland Farness said.

Twenty-eight modified car drivers already have qualified for the 200-lap main event, with the three fastest times posted by Chuck Taylor, Wib Spaulding of Granite City and John Meyers.

Twenty-four cars will start in the feature, with drivers and cars paired in two-man teams. The team's first contender will drive laps until he either pits by prearranged plan or is forced out by mechanical trouble, and the second car and driver in the team will then take the track in an attempt to finish the race, which will be the longest ever run at the speedway.

Only one member of the two-man teams is required to qualify in advance of the race. Heat races for modified and fender-class cars will complete Saturday's program. Trials begin at 7:30.

Qualifying in order behind the three fastest drivers were Art Zambly, Jim Mohon, Bob Carlin, Ollie Runyon, Bill Meyer, Norm Hieronimus, Pat Boeten, Glen Hollis of Granite City, Chuck Lynch, Gary Jenkins, Bill Morris, Dick Smith, Terry Petch, Charles Bouter, Barney Jones, Glen Vetter, Pete Oster, Ron Taylor, Bud Pursley, Dick Deistlers, Senny Burton, Lowell Baumbach, Bill Field, Ken Reed and John Woods.

Kiwanis Bowling League Registration To Open

The final registration for the youth bowling league sponsored by the Mitchell-Chouteau Township Kiwanis club, will be held from 9:30 a.m. to noon Saturday at the Mitchell-Chouteau Township Kiwanis club, 211 N. 1st St. Boys and girls from eight to 19 years of age residing in the Mitchell-Chouteau area are eligible to join. Registration began last Saturday.

The Kiwanis club held a business meeting instead of the program. Six members were present along with four "interclub" guests from Edwardsville. The Mitchell club also had four of its members paying an interclubing visit to the O'Fallon Kiwanis club.

Alton's Mitchell Is Early Leader In Prep Race

Alton's Terry Mitchell, with a pair of touchdowns in each of the Redbirds' first two games, has taken an early lead in the individual prep football scoring race among 18 schools in this area.

Mitchell, with 24 points to his credit, holds a slight lead over Tom Klump of Belleville. Cathedral, the runner-up this week with 21 points on three TD's and three conversions.

Tied for third are Gary Zaczny of Wood River and Ray Ramach of Highland, each with 19 points. Sixteen players have scored at least two touchdowns over the first two weeks of prep action.

Inter-City Baseball Cup Series Begins On Sunday

Up to 48 cars are expected to be on hand Saturday night at the Tri-City Speedway for the running of a 100-mile feature race for super modified stocks.

The relay event, to be run on the track's half-mile oval, is one of five races on a card which offers a \$3500 purse, promoter and track owner Garland Farness said.

Twenty-eight modified car drivers already have qualified for the 200-lap main event, with the three fastest times posted by Chuck Taylor, Wib Spaulding of Granite City and John Meyers.

Twenty-four cars will start in the feature, with drivers and cars paired in two-man teams. The team's first contender will drive laps until he either pits by prearranged plan or is forced out by mechanical trouble, and the second car and driver in the team will then take the track in an attempt to finish the race, which will be the longest ever run at the speedway.

Only one member of the two-man teams is required to qualify in advance of the race. Heat races for modified and fender-class cars will complete Saturday's program. Trials begin at 7:30.

Qualifying in order behind the three fastest drivers were Art Zambly, Jim Mohon, Bob Carlin, Ollie Runyon, Bill Meyer, Norm Hieronimus, Pat Boeten, Glen Hollis of Granite City, Chuck Lynch, Gary Jenkins, Bill Morris, Dick Smith, Terry Petch, Charles Bouter, Barney Jones, Glen Vetter, Pete Oster, Ron Taylor, Bud Pursley, Dick Deistlers, Senny Burton, Lowell Baumbach, Bill Field, Ken Reed and John Woods.

Kiwanis Bowling League Registration To Open

The final registration for the youth bowling league sponsored by the Mitchell-Chouteau Township Kiwanis club, will be held from 9:30 a.m. to noon Saturday at the Mitchell-Chouteau Township Kiwanis club, 211 N. 1st St. Boys and girls from eight to 19 years of age residing in the Mitchell-Chouteau area are eligible to join. Registration began last Saturday.

The Kiwanis club held a business meeting instead of the program. Six members were present along with four "interclub" guests from Edwardsville. The Mitchell club also had four of its members paying an interclubing visit to the O'Fallon Kiwanis club.

Mrs. Bergfield Takes Office In Hospital Group

St. Elizabeth Hospital Auxiliary held the first fall meeting Monday evening at the Hospital with approximately 35 members present.

Mrs. Lillian Walker, vice-president, was in charge and Mrs. Helen Bergfield, the newly-elected president, was installed by Mrs. Irene Argolan, district president. Mrs. Mabel Gaston, who was elected to the presidency earlier in the season had tendered her resignation due to illness.

A report from the nurse in training being sponsored at a St. Louis hospital was given along with reports of the success of the beauty shop and the coffee shop both sponsored by the Auxiliary. Plans also were made to remodel the coffee shop in the near future.

Sister Mary Thomas, the new hospital administrator, who was a guest at the meeting, thanked the Auxiliary for its work and for sponsoring the pink ladies and candy strikers.

Guest speakers at the meeting were G. W. Hoelscher, chairman of the Citizens' Committee on drainage and pollution abatement and Alderman Mrs. Gabrielle Betine. No action was taken by the group.

Refreshments were served after the meeting by the Sisters of the Hospital.

Permits Issued For Nestle Co. Reconstruction

Permits have been issued by the city for a half-million dollar construction project at 21st and Adams streets by the Nestle Co. to replace a portion of the structure there which was demolished by an explosion more than a year ago.

The firm has received two permits, one for fabrication of structural steel and the other for general construction. Both permits went to S. M. Wilson & Co.

Earl Bloomquist, city building inspector, said the general construction permit calls for expenditures of \$455,396, while erection of the structural steel is to cost \$60,880.

The general contract price includes some rating at the site where a section of the Nestle plant was leveled by a blast in August 1961. Plans for the new structure were drawn by company's own engineering staff.

The Nestle permits increase a week's construction value total to \$334,616 including \$13,240 for home repair and improvement projects, garage worth \$110,000 and one commercial property improvement permit for \$40,000.

Remodeling Permits

The commercial improvement permit was received by Leo Doebelin for alterations and remodeling to beauty salons and offices at Niedringhaus avenue and State street.

Glenn Linday, 2212 Illinois avenue, received a permit for a \$500 garage. A permit for a \$600 garage at 2544 Iowa street was received by Wayne Brothers.

Home project permits issued include the following:

Paul Batson, 2918 Roosevelt avenue, \$850; Mary Svoboda, 1101 Twenty-fourth street, \$150; George Nolte, 2817 Warren avenue, \$1000; James Dorich, 2890 Ralph street, \$1000; James E. Milton, 2725 Iowa street, \$1200; Kenneth Huntley, 2561 Center street, \$200; Frank Welch, 1444 Delmar avenue, \$500; and Alvin Mercer, 2208 Rock road, \$1000.

Sav-Mart Improvements Co., 2828 Victory drive, \$1600; Noel Foster, 2821 Roosevelt street, \$500; Myrtle Hickman, 1933-35 Grand avenue, \$360; and 2109 Washington avenue, \$280; Floyd Cruse, 2000 Myrtle avenue, \$1000; and J. P. Winter, 1812 Ferguson avenue, \$2800.

Mathews Chevrolet Will Show New Models Friday

Chevrolets in four distinctive lines — the regular Chevrolet, Chevy II, Corvair and Corvette — will go on display tomorrow at Mathews Chevrolet Co., 1511 Niedringhaus avenue.

Altogether, the 1963 Chevrolet offered in 33 models, according to Jack Mathews, a member of the local dealer firm. He said all models have significant mechanical improvements.

On the regular Chevrolet, Mathews said, straight windshield pillars improve access for driver and passengers. The new front grille of anodized aluminum extends full width, while a depressed center area adds new interest to the rear deck.

The 1963 Chevrolets feature a new six-cylinder 140 horsepower engine which is 23% lighter than its 1962 counterpart. Six V8 engines are offered, with horsepower ranging from 140 to 425.

Other new features include self-adjusting brakes, longer life mufflers, new Delcotron generators, transistorized radios, heater as standard equipment and optional all-weather air-conditioners.

Mathews said the Chevy II continues the basic styling of previous models with new exterior appointments. Ten Chevy II models are offered in three series.

Mechanically, the Chevy II has self-adjusting brakes and the new generator offered through-out the Chevrolet line. Four and

six-cylinder models are offered, with minor improvements. Styling changes on the Corvair are confined to ornamentation and molding details, Mathews said. Eight models are included this year, with improvements in front suspension and steering linkage, among others.

The Corvair, in addition to a host of mechanical improvements, offers a new "fast-back" coupe for the first time this year. The convertible with optional hard top will be continued, with both models to be two inches lower with four-inch shorter wheel bases.

GC Council Sets Pay For Election Judges

Granite City council members set amounts for polling place rental charges and election judges' pay at \$25 each for next Tuesday's special election on the \$10,000,000 drainage-pollution abatement program.

The action was taken during Monday night's meeting. It also was agreed to pay \$1 to the individual handling polling booths in each polling place.

No action was taken by the council on a request by several aldermen to pay rent on furniture needed in the polling places.

The city's 21 polling places will be open from 6 a.m. to 6 p.m.

1963 CHEVROLET IMPALA sport coupe, to go on display tomorrow at Mathews Chevrolet Co., 1511 Niedringhaus avenue. All four lines — Chevrolets, Chevy II's, Corvairs and Corvettes — will be shown by the local dealer.

Former Residents Enjoyed Sesquicentennial Edition

Appreciative notes were received by Roy Lynn, 2636 State street, from his son and daughter to whom he had mailed copies of the Madison County Sesquicentennial edition of the Press-Record.

His son, William, who is an engineer with the U. S. Department of Interior, geological survey division, resides at Falls Church, Va., near Washington, D. C. Lynn's daughter is Mrs. Amy Messier, wife of Army Major C. R. Messier, residing at Ft. Sheridan, Ill.

Mrs. Messier said he "sure enjoys the articles of history" con-

cerning the county and thanked her father for his thoughtfulness. William Lynn commented he was unfamiliar with happenings in the area for the past 15 years and was brought up-to-date with notes.

DAV Sets Goal For Forget-Me-Not Sale

A goal of 8000 forget-me-not sales has been set by Disabled American Veterans Chapter 53, which will conduct the annual sale Oct. 1-6.

Anthony Kosta, chapter commander, said proceeds will be used for services and welfare work among worthy and needy area veterans.

The sale will be conducted throughout the Quad-Cities, with DAV and Auxiliary members selling the handmade forget-me-nots on street corners and in front of various business establishments.

Kosta said the imitation flowers are made by disabled veterans throughout the nation and are supplied by the national DAV organization.

'63 CHEVROLET IMPALA SPORT SEDAN

Tomorrow-GO JET-SMOOTH CHEVROLET for '63

If it didn't say Chevrolet on the flanks of the superb automobile you see here, you'd have a hard time proving that it's a low-priced car. Its interior is more luxurious than most living rooms; it rides like a limousine and performs with the smoothness and silence that used to be limited strictly to cars for the very rich. In addition to all this, there's a host of advances and refinements that'll help keep your Chevrolet looking and

IT'S EXCITING!

running like a new car when a lot of others have started to sag and sigh. Fisher Body with air-washed rust-cheating rocker panels for one, self-adjusting brakes for another, and the Delcotron generator to help you have an always-ready supply of electricity and lengthen the life of your battery. If you ever wondered why Chevrolet leads the field, a drive in this '63 should answer all your questions.

GO CHEVY II for '63-IT'S EXCITING!

'63 CHEVY II NOVA SPORT COUPE

Hard to believe, but this year's Chevy II is better than last year's. It shares all the new easy-care features of the big Chevrolet and adds its own attributes of parkable size, four- or six-cylinder economy, and interiors that'll match cars with twice the price and half the charm. Chevy II has made a permanent place for itself with its sparkling performance and nickel-nursing economy and if you want more car for the money, Chevy II is the car for you.

'63 CORVAIR MONZA CONVERTIBLE

Change it? Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a more fully aluminum muffler; interiors are refined a bit, and you'll notice some trim changes. But the rest is pure untampered-with Corvair with all the over-the-road goodness that implies. Oh yes, we changed the rings around the taillights so all those people you pass will know you're driving a '63.

STAGNANT WATER stands in the Nameoki ditch, clogged with weeds. Raw sewage also flows into the ditch, which was built by the East Side Levee & Sanitary District. This view is looking south from Victory drive. The Citizens' Committee plans to widen, pave and fence this ditch, not

only to increase the capacity and speed the run off, but also to keep it dry when not in use. This would eliminate odors from standing puddles and breeding places for mosquitoes, insects and snakes.

Army Depot To Handle CD Survival Supplies

The Granite City Army Depot has been designated as supply depot for survival supplies to be used in the national fallout shelter survey program now underway.

Col. J. M. Analey, commander, will be responsible for receipt and issuance of supplies to Civil Defense agencies located in southern Illinois and eastern Missouri.

Supplies will be stocked in buildings that have been found suitable for use as public fallout shelters in the event of nuclear disaster.

The supplies include a 10,000 calorie ration of survival biscuits per shelter occupant, a two-week supply of water per person, medical supplies, sanitation supplies and instruments needed to measure radioactive fallout.

CIVIL DEFENSE SUPPLIES are inspected by Col. William D. Paschall, left. St. Louis CD director, Col. John M. Analey, center, Granite City Army Depot commander, and Lawrence M. Miller, CD director for St. Clair county and East St. Louis.

Jet Maintenance Training For Airman D. R. Beyer

Airman Third Class Donald R. Beyer of Granite City is being reassigned to Williams AFB, Ariz., following his graduation from the U. S. Air Force technical training course for jet aircraft mechanics at Amarillo AFB, Tex.

Airman Beyer was training to maintain and service jet aircraft and aircraft systems.

The airman, a graduate of Venice high school, is the son of Mr. and Mrs. Adam T. Beyer, 916 Third street, Venice. He is married to the former Jo Ann Fuller of 1924 Lynn avenue.

GCDS Representatives In Freedom Pilgrimage

Student-teacher teams representing 35 honor schools and school systems, cited in the Freedoms Foundation's school awards program, took part in an activity-packed "Valley Forge Pilgrimage" which ended this week.

The schools were honored for outstanding classroom projects, building good citizenship and understanding of fundamentals of the American way of life. Granite City high school was represented by Miss Mary Blackburn, drama teacher, and Miss Anita Schroeder, a June 1962 graduate.

The student-teacher teams' agenda included a tour of the Federal Bureau of Investigation, National Archives and U. S. Capitol, and meetings with Senators and Congressmen. Chaplain of the Senate, Dr. Frederick Iain of the Senate, Dr. Frederick Brown Harris, was host for a tour of Washington, D. C.

The pilgrimage teams visited Fort McNairy in Baltimore, Md., birth place of "The Star Spangled Banner," and toured the site of the encampment of George Washington's Continental Army during the crucial winter of 1777-78 at Valley Forge Park. They also visited Freedoms Foundation at Valley Forge, and inspected displays representing the best efforts on behalf of freedom produced in American schools.

This week, the group visited Independence Hall in Philadelphia, attended churches and toured the Franklin Institute, Betsy Ross house, Christ Church and Benjamin Franklin's grave.

Downtown Church To Buy 4 Lots For Parking

Members of a downtown church voted this week to buy four 50-foot lots in the 2100 block of Benton street and raise four flats to provide off-street parking facilities.

The action, approved by an 8-to-1 margin, was taken by over 100 members of St. Peter Evangelical & Reformed Church, 2101 Cleveland blvd. The property and raising will cost the church \$31,500. In outlining the purchase, Fred Fett, chairman of a special committee, and Leonard Anderson, president of the church council, said the four four-family flats on the first four lots north of 21st street will be adjacent to church property.

The church plans to ask the city to abandon the alley between the property and provide another exit. The lots will park about 80 autos.

SIU Recital Series Will Begin Friday

Organist Helen Fjerstad will present the first program in the 1962-63 recital series at Southern Illinois University's area campus on Friday.

The series, which will present other musicians in programs during the school year, is sponsored by SIU's fine arts division in cooperation with the Student Council. The entire series is open to the public without charge.

Mrs. Fjerstad, wife of SIU assistant professor Dale C. Fjerstad, earned her B.A. degree in music from the University of Oregon where she directed the university chapel choir and was chapel organist her junior and senior years.

Her master of arts degree is from the Eastman School of Music, University of Rochester, where she studied organ with Harold Gleason. Since receiving her M.A., she has studied piano with Frank Manheimer and Menahem Pressler, harpsichord with Heinz Arnold and Anton Heller.

Before coming to Alton Mrs. Fjerstad was director of the women's choir at St. Olaf College (Minnesota) and assistant professor of piano and organ at Carroll College in Wisconsin. Presently teaching organ at Southern Illinois University, she is director of music and organist at the First Baptist Church in Alton.

Friday's organ recital, at the First Baptist Church, College and Johnson avenues, Alton, will begin at 8:30 p.m.

Announce Examination For Electronics Job

An examination for appointment to a Civil Service position as training instructor in electronics at Chanute Air Force Base has been announced by the Civil Service examiner there. Revival Starts Oct. 4 At First Assembly Of God

Rev. M. A. Groff, pastor of First Assembly of God Church in Corpus Christi, Tex., will conduct revival services at First Assembly of God Church here beginning Oct. 4 and continuing through Oct. 10 at 7:30 p.m. each evening. He will be assisted by Mrs. Groff, a graduate of Phillips College and a soprano soloist.

Rev. Groff has served pastorates in other Texas cities, Arkansas, and West Virginia. For three years he was director of church schools for the South Texas District of the Assemblies of God and also served on the National Chaplaincy Commission as contact chaplain at the U. S. Naval Station in Corpus Christi.

Rev. Groff holds a music major from the University of Arkansas and is a graduate of Henderson State Teachers College. While acting as college organist at Phillips, he composed several choral anthems which are still widely used.

Rev. Paul Evans, pastor of the local church, is inviting the public to attend the services.

Applications Available For NROTC Training

Vice Admiral W. R. Smedley III, chief of naval personnel, announced today that the 17th annual national competitive examination for the Regular Naval Reserve Officers Training Corps will be given to eligible high school seniors and graduates on Dec. 8. Applications in forms are now available and must be mailed by Nov. 16.

Granite City Navy recruiter William Jones said high school seniors and graduates who are at least 17 now and who will not yet be 21 next June 30 may apply for the test. Those who make the qualifying score will be given a rigid medical examination. From those qualified more than 2000 will begin their naval careers in college next September.

The program supplements the output of the Naval Academy. The person studies at the college of his choice which has an ROTC unit. Tuition, fees and books are furnished by the Navy and a \$600 per year retainer is paid to the student for four years. During the summer the student goes on Navy cruises as a midshipman.

The student is commissioned in the Regular Navy upon graduation.

Application forms are available at high schools. Navy recruiting offices or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D.C.

Man Accused Of Assault In GC Beating Case

Lionel Gonzales, 25, of Collinsville, pleaded not guilty Tuesday to a charge of aggravated assault against a young Granite City married woman. Police Magistrate Gasparovic set his preliminary hearing for Oct. 18. A \$1500 property bond was set.

He was named by Mrs. Jackie Holik, 21, of 1738 Delmar avenue, as the man who entered her bedroom about 8:30 a.m. Saturday and beat her on the head with a gun. She screamed and broke away.

Farm Column By TRUMAN W. MAY

Confined housing systems for swine appear to have a definite place on hog farms of the future. Most of the hogs of tomorrow will likely be raised in some sort of confinement.

This doesn't mean there will be no place for pasture operations, but the large producers are being forced into confinement to take advantage of labor-saving mechanical equipment and to have some environmental control during winter.

Environmental control is important in swine. Iowa research shows that cutting 20 degrees off both cold and hot extremes in temperature will not only boost rates of gain and feed efficiency, but also improve carcass quality.

tomato harvest in operation. It takes the entire plant and removes the tomatoes. Used at the right time, it gets about 80 percent of the tomatoes. At one operation, saving a great amount of labor. When the machine is perfected, it will reduce in quantity, and sold at a reduced price, it undoubtedly will be a big success. . . . Sill filling is progressing rapidly and will soon be completed. . . . Willard Blase of Hanel township is a member of the Dairy Herd Improvement Association. He milks over 60 Holstein cows. . . . Check your barnyard drainage system. If you couldn't move off the paths with trucks and tractors without bogging down in the rainy months earlier in the year, a few ditches to gather runoff from the sheds, barns and cribs will be a big help. . . . Members of the Tri-County Short Horn Cattlemen's Association and their families recently held their annual field day at the farm of Oliver Schlemmer and son Melvin in Jarvis township. . . . Take a good look at your driveways. Are there potholes left over from last spring? Maybe all they need is a lot from a scraper blade, or a drag, to float out those bumps. Smoothing them out will also make it easier to get around in wet weather. . . . Keep grass waterways clipped. Don't forget to use a sickle around fences and structures. Remember that weeds clog your waterways.

The Southern Illinois Breeding Association is sponsoring an initial auction sale Sept. 29 at its headquarters at Breese. The sale will consist of 30 select Holstein heifers from SIBA and breed for early fall freshening and will climax the activities at the association's 17th annual meeting.

Standards were set high for the cattle to be sold. The dam of a selected animal must have posted a 450 pounds butterfat (actual) record or higher during a lactation.

Manager Lyle Jones notes that most sale cattle were from dams that have produced 500 or up to 800 pounds of butterfat on twice daily milking.

An automatic water system and self-feeders reduce the labor. The unit will handle 125 to 150 pigs.

Price lists and application blanks are available now for order state nursery trees to plant next spring.

Order forms are now available at the farm adviser's office. Prices of state nursery stock are slightly reduced this year. Orders should be sent in early, as they are filled in the order received.

Some kinds are always sold out before all orders are filled. April 15, 1963, is the closing date for orders.

Illinois has two forest tree nurseries. Landowners may order from either the Mason Nursery at Topeka or the Union Nursery at Jonesboro. The minimum order is 500 trees of any one species.

Customers can pick up the trees when notified. However, many find it convenient to have them shipped express collect. A bale of 1000 seedlings will weigh about 40 pounds.

Forest planting stocks produced by the Illinois Division of Forestry are not to be used for ornamental or landscapes and cannot be resold with roots attached.

State nursery stock is to be planted on rural land and used for timber crop production, soil erosion control, field shelterbelts and wildlife cover.

Tree-planting machines capable of planting 4000 tree on four acres in an one afternoon are available for hire or rent.

Two cows of the Brown Swiss herd of Becker Farms, Alton, Ill., have been designated as State Bell Ringers, one of the top awards by the Illinois Brown Swiss Cattle Breeders' Association. They are now eligible for the National Bell Ringer contests. . . . Steer calves will gain around 75 pounds per head paired on stubble and corn silage last week. The crop was fairly good, being reduced by the dry weather. One grower said the two very hot days August cut his crop by \$1500 to \$2000. . . .
